Today: Phyo Kyi - President's Address

President's Remarks

This year's RI theme is "Be the Inspiration". What does that mean? Well, last week David Hawkins gave me a 3X5 card noting what being the inspiration meant to him. It was pretty profound, but rather than quoting what David provided, I thought I'd better quote Barry Rassin, the new RI President.

He said, "I want you to inspire in your clubs, your Rotarians, that desire for something greater. The drive to do more, to be more, to create something that will live beyond each of us." So, here is what I want to inspire our club to be - vibrant.

Being a vibrant club is to be an active club, but it means different things for different members. We could be active to secure new members, to raise more funds for the new hospital, to do more fundraisers, to do projects that leave lasting symbols of our contribution to the community, to donate to causes that we believe in both locally and internationally, to work at the bottle depot, etc. And yet to some, it is just to come to the Rotary breakfast meeting every Tuesday and have some fellowship...

My mission this year is to inspire every member of our club to be engaged as an active Rotarian, in any way that you want to be.

Today, I will outline what I think our club's focus and activities ought to be for 2018-2019. It was formulated from what I have heard from a cross section of members. I hope after my presentation, you will rally behind the theme and help each other have a fantastic Rotary experience this coming year.

Adventure in Citizenship Program

This annual event provides a unique opportunity for a selected group of young Canadians to come together to gain a better understanding of our country. Through meetings with political leaders, senior officials and others, they learn a great deal about the workings of our democratic institutions. Through meeting one another and having discussions among themselves, they learn to appreciate the diversity of Canada and the privileges and responsibilities of Canadian citizenship.

The Young Citizens Foundation partners with the Rotary Adventure in Citizenship program to offer three deserving participants a \$1,000.00 scholarship for first year tuition.

The Rotary Adventure Program is recognized in the Nation's Capital for the quality and enthusiasm of the students who participate. This is as a direct result of the selection process utilized by the sponsoring Rotary Clubs.
