### **President's Remarks**

I went down to the beach today  
and much to my surprise  
I found the bases laid in place  
over which the sun did rise

While the pieces were not connected  
they made an impressive sight  
with sections for benches also there  
everything is beginning to look right

There seem to be constant visitors to the beach  
especially when the weather is good  
wait till they have a chance to walk the boards  
this will put them in the mood

Their numbers will increase  
as they enjoy the new facility  
and they will speak highly  
of the people who had the agility  
to put it all together and bring it to our village.

Poem by Reg Gemmell, Secretary Rotary Club of  
Wellington  
(referring to the board walk project at the  
Wellington beach)

First published and shared with the membership in  
2007, it exactly reflects what Rotary stands for:  
taking on a project that improves the community we  
live in.

So saying THANK YOU to all of you for being part of  
Rotary and the time and effort everyone is putting in  
for the benefit of our community is the least I can  
say!

Alex

### **Executive Director QuinteVation**

The purpose of QuinteVation is to facilitate and encourage  
business innovation by entrepreneurs and thereby accelerate  
the growth of industries/sectors in the Bay of Quinte Region.

QuinteVation was created in 2016 - a non-profit,  
entrepreneurs-in-residence community builder initiative.

QuinteVation's RevUp Pilot is a 6 month program adapted  
from the Accelerate Okanagan initiative, designed to help  
Innovative companies with scaling and rapid growth  
challenges.

Through this structured program, participants benefit from  
working with a team of Entrepreneurs in Residence (EIR's),  
who work in collaboration with participants to create a  
tailored and actionable growth plan, designed to address their  
individual business challenges.

RevUP connects you and your senior leadership team with  
peers from companies at a similar stage and a team of  
experienced entrepreneurs to help you grow your business.

As some of you may or may not know Toni Murphy-Beaudrie  
has been diagnosed with breast cancer. She will need to have  
a mastectomy in the coming weeks followed by chemo  
therapy

The Board has made a direct donation to Terri Murphy .

FOUR WAY TEST
Of the things we think, say or do: 1. Is it the TRUTH? 2. Is it FAIR to all concerned? 3. Will it build GOOD WILL and better FRIENDSHIPS? 4. Will it be BENEFICIAL to all concerned?
