President's Remarks

One thing we all like to complain about regularly is the under-performance of our County council. I have even heard Shire Hall where Council convenes being called "Sure Hell".

If it is not the high water rates, it's the condition of the roads, the lack of affordable housing, the proliferation of Airbnb's, and yes of course the lack of progress in remediating the Convenience Store at the corner of Main and Warf. Well, the best way to get results is to make sure we elect the right people to represent us in getting the job done.

As Rotarians, we should be demonstrating civic leadership in our community, and help bring about meaningful discourse to elect the right representative from our community to serve in Council. We are going to start that journey on Tuesday by having the panel of candidates who are running for Wellington present their platforms to the Club. Feel free to invite your friends and neighbours to attend as guests. There are only 10 weeks to go before the October 22nd election. It is our responsibility as well as a privilege to vote.
