President's Remarks

Saturday was the last day of summer and the start of autumn, according to the calendar. The days seem to be getting shorter, the nights cooler, and fall colours are starting to show. The season of shorts and t-shirt weather, swimming in the lake, biking, golfing, basking in the sun of hot & humid afternoons is coming to its end. But we have so much to look forward to for the fall this year. It will be an especially busy time for the Club, so pull up your volunteering spirits and come out and participate to help make it a successful time for all. Next weekend, we have the County Marathon, where we have a full slate of Rotarians volunteering to help make the route safe for the runners.

Next is Pumpkinfest and we always participate with great energy in the parade as well as volunteer to weigh the pumpkins for the contest. Then on Saturday October 27, Wellington is the location of the District Conference 2018: Rotary Reunion. In conjunction with that event we, in collaboration with the Picton Club, are hosting a Sweet County Welcome party at the Legion on Friday for all Rotarians attending the conference. I hope all Wellington Rotarians will plan to participate actively and show all the other Rotarians in the District what a friendly bunch of people we are.

That's just October. How about November and December? Well, there is the anniversary evening, and then the Christmas dinner, for which we have yet to start planning. Yes, fall and the rest of this year is going to go by very quickly. In the meantime, for those of you who just like volunteering and providing sweat equity, the bottle depot is always looking for good help and Barry Davidson and the Millennium Trail Committee will welcome help in their project to upgrade the segments from Wellington to Picton (see picture of Barry on a Roller in this Bulletin).

Last Week: William Mulholland-Classification Speech

William tells us he has eight siblings. He grew up on Long Island then later moved to Montreal. His Father was invited to head up the Churchill Falls Power Corporation after a devastating air crash that wiped most of the executives at the Corp.

He has many memories of the events around the FLQ crisis in Quebec. They lived across the street from the US Embassy.

After he graduated from university, the family moved on to Georgetown.

William now resides on Swamp College Road and operates an Airbnb and is employed with Rogaers.

Rotary Grace
O Lord and giver of all good We thank thee for our daily food May Rotary friends and Rotary ways Help us to serve thee all our days.

FOUR WAY TEST
Of the things we think, say or do: 1. Is it the TRUTH? 2. Is it FAIR to all concerned? 3. Will it build GOOD WILL and better FRIENDSHIPS? 4. Will it be BENEFICIAL to all concerned?
