Today: Mary Lou Harrison- Rotary District Governor Visit

President's Remarks

On Pumpkinfest day Saturday, we had a crew out at 8:30 in the morning decorating the parade float, a full crew at the bottle depot from 9 a.m. to 1 p.m., Rotarians directing traffic in the village, some of us walking and participating in the parade, some of us volunteering for the pumpkin weighing, while some of us were picking grapes for the Rotary wine, and then topped off the evening with a fabulous pot luck dinner at Brian & Lynn McGowan's place. I am just blown away by all our members' participation in the festivities and activities.

Thank-you, fellow Rotarians, for making our club such a vibrant and fun club!

This Tuesday, District Governor Mary Lou Harrison will be visiting our club. It is an opportunity for us to connect with the larger Rotary organization beyond the four walls of our club. I am looking forward to hearing DG Mary Lou's message, about what's going on at the district and RI level, as well as learn more about what's planned for the District Conference on October 27th.

Scare Crow Bill on the Float

Last Week: Fergus Millar-Alexandra Bake Picton Library Expansion

If you're one of the 3,400 people who visit Picton Library every month, you know that our 111-year-old Carnegie building is overdue for expansion.

A consultation process featured Town Hall meetings, On-Line surveys and Focus Groups to gather public ideas and feedback.

You can expect:

- Expanded collection
- Performance arts space with non-profit rental options
- A new lecture theatre with assistive technologies
- An enlarged children's area and a dedicated Makerspace
- Room for STEM learning and lifelong enrichment
- Flexible quiet workspaces and meeting room rentals
- Accessible public washrooms
- Comfortable chairs, good lighting, quiet spaces where we can all feel at home
- A new walkway from Mary Street to Main Street
- 3D Printers in Picton and Wellington booked 1 year in-advance

The addition will add about 6,000 ft² to the rear and side so as not to adversely alter the street scape. A walkway to Mary St. will facilitate people movement.

The free WiFi will be expanded and will include take-home hot-spots for those without home access.

Project expected to cost \$1,280,000 Funding from PEC and Parrot Foundation, plus Ont. Gov't. Need to raise about \$720,000 from fundraising in the community.

Rotary Grace
O Lord and giver of all good We thank thee for our daily food May Rotary friends and Rotary ways Help us to serve thee all our days.

FOUR WAY TEST
Of the things we think, say or do: 1. Is it the TRUTH? 2. Is it FAIR to all concerned? 3. Will it build GOOD WILL and better FRIENDSHIPS? 4. Will it be BENEFICIAL to all concerned?
