GLOBAL BAKE UP

Each member bakes something for colleagues at work - am/pm/nightly duty break

Each member submits the recipe they used, plus picture, plus importance of that recipe to them

We develop an e-book to sell through our website to raise funds for our club

Also members (with permission) film and introduce us to the places where they work with colleagues (1 min)

January is Vocational and Services month in the Rotary International (RI) calendar. Our club members can shine a light on RI and our Global Nurses & Midwives Rotary Club by hosting a tea break at work for their colleagues and talking with them about Rotary.

Due to Covid 19 requirements -

1. When baking food to present to work colleagues ensure you meet Covid safe requirements.
2. The invite to participate in this event is extended for the whole year of 2021.

Happy baking and presenting when you can
