THE ROTARY STORY

The world's first service club – the Rotary Club of Chicago, Illinois – was founded in February, 1905 by Paul Harris.

Harris, a young lawyer, founded the club in an effort to recapture the spirit and friendliness he felt in the small town where he had grown up. Harris and three friends, a coal dealer, a merchant and a mining engineer were the first members.

It was important to Harris and his three friends to encourage fellowship and have friends in other vocations. To further this ideal, the early practice of 'rotating' meetings between members' offices led to the name Rotary.

By the end of 1905, the club had expanded to 30 members and within three years a second Rotary club was established in San Francisco. Rotary's popularity spread, and within a decade, clubs were chartered from San Francisco to New York to Winnipeg, Canada. By 1921, Rotary clubs had been formed on six continents. The organization adopted the Rotary International name a year later.

The organization continued to grow through the following decades. Today, there are 1.2 million Rotarians in 34,000 clubs around the globe.

Our motto is 'Service above Self'

The Rotary Club of Evanston is one of our community's most active hands-on volunteer organizations. Each year we provide help ranging from delivering food to the sick and homebound to refurbishing homes for those in need. We also organize beach clean-ups and other community improvement projects, and we provide manpower to help other local not-for-profit initiatives.

Globally, we send volunteers to assist with projects such as building schools or digging water wells. We have completed projects recently in Uganda and Guatemala.

Funding Worthy Causes

The Rotary Club of Evanston maintains its own charitable fund, a 501c3 organization, which provides monetary grants directly to local charitable organizations.

In more than 15 years of service to the community, the Charitable Fund has raised and distributed many thousands of dollars in Evanston. For many years we have also provided major vocational and academic scholarship assistance for graduates of Evanston Township High School.

Membership Duties

There are some things that we ask every member to do.

1.

Get involved and have fun!

Volunteer for a service project, sign up for a committee, attend an after-hours networking event... the opportunities are endless.

2.

Come to our meetings. We ask that you come to at least 50% of our weekly meetings or volunteer activities. Make-up options are available.

3.

Pay dues. Members are assessed \$780 for yearly membership; roughly half of this pays for your weekly lunch. The remaining cost is less than \$40 a month.

4.

Contribute to The Rotary Foundation and our club's Charitable Fund. Contributions to both funds are totally voluntary and are not required but any level of contribution is welcomed.

5.

Tell your friends! Rotary succeeds when the community knows who we are and what we are trying to accomplish.

Our club is very flexible in working to meet the unique needs of each member. If you have questions about these duties, just ask!

ABOUT CLUB ACTIVITIES

As one of Evanston's leading charitable and service organizations, The Rotary Club of Evanston has provided countless hours of volunteer service and significant monetary support for a variety of local causes since it was founded in 1920. For more than 90 years, the club has divided its service to the community between hands-on, volunteer projects, and fund raising to help organizations and causes. It has raised hundreds of thousands of dollars for not-for-profit organizations, helping Evanston cope with pressing issues ranging from illiteracy to HIV/AIDS to homelessness and poverty.

The club's philosophy is to provide general assistance wherever it is needed -- thus it has provided volunteers for everything from building homes for low-income families to cleaning up Evanston's beaches to delivering hot meals to the needy.

In its recent history, the club has placed a strong emphasis on helping Evanston's youth. Projects range from youth mentoring to after-school reading programs and scholarships.

We have served internationally recently by:

- Providing construction in Guatemala.
- Building water wells and assisting with malaria prevention in Uganda.
- Providing disaster relief in Haiti and Pakistan.
- Supporting The Rotary Foundation through annual contributions.
- Helping end polio by contributing to Rotary's global effort to immunize children.
