Darren Kettle gave us an update on the future of transportation in Ventura County. Expect travel time to get rise as road congestion gets worse, particularly on the 101 freeway. Alternatives to the car include the Active transportation (walking and bicycling), the Metrolink and the VCTC Intercity Transit. The Intercity Transit will be able to provide the citizens of Simi Valley transportation to the Ventura County Court House so, we won't have a valid transportation excuse for jury duty. Proposed funding for improvements in transportation are increases in sales and gas taxes.

## Student of the Year!

### Paula Reyes!

Dan presented Paula Reyes with our Rotary Club Award for the Student of the Year. Paula goes to the Simi Valley Adult School and she was accompanied by Virginia, Maria and Ryan Reyes. Assistant Principal Mel described Paula as a warm and modest person. She is dedicated to helping others and participates in the Interact Club as well as other service organizations.

By

Reverend Dr. Lew Fry

Springing back from his illness, Reverend Dr. Lew Fry taught us we are what we think. The power to control our thoughts shapes our destiny. Welcome back Lew!

Rocky came back from his travels abroad with a flag from the Changi Rotary Club in Singapore. Jack has flags at the attendance table for members that visit other clubs.
