## **Quotes from Student Interns:**

***"The most valuable part of the internship for me was the career path the experience has opened up for me."***

***"If I did not do the internship I would have been unhappy with my previous choice in a career."***

***"It changed my college major."***

***"I think everyone should take the internship program, just looking at job descriptions doesn't get into the details of the career"***

## **Quotes from past Workplace Mentors:**

***"Positive and creative, mature and sensible, - I would recommend her for any college program or job initiative."***

***"He learned a lot about how a professional staff works. Always has a great attitude."***

***"She was always punctual, professional and ready to work. I look forward to having her as a colleague in the future."***

***"She was exceptional at observing what needs to be done and then helpfully diving right in."***
