Dear Pam,

For years, Easterseals has changed the way the world defines and views disabilities. We make profound, positive differences in the lives of children every day. Thank you for your gift of \$2,500 for our specialized feeding group. Your gift makes you a member of our President's Council, our most generous donors who give \$1000 or more annually.

Every day, we break down barriers, dispel stereotypes, overcome obstacles, and challenge attitudes and perceptions about people with disabilities and their potential. But we can't do it alone. It takes a team. On behalf of the hundreds of children with disabilities whose lives your donation will touch at Easterseals RI, thank you for being part of our team and for your wonderful generosity.

You are helping to transform lives by providing critical support through our Early Intervention program. Thank you for caring about the precious goals and independence of the people we serve and their families facing great challenges. Thank you for understanding that some of our neighbors, friends and families need a little extra help to experience the basic joys of living. Please visit easterseals.com/rhodeisland to learn about our programs and services and be sure to like us on Facebook.

With sincere appreciation,
