Web	www.clarerotary.org.au

Last Meeting	03/12/18	No 2439
Present	15 Rotarians, 3 Partners, 1 Friend	
Guests	11	

Pres Josie asked for some assistance to set up Christmas float on Thurs morning 9.30am. Glen and Julianne offered.

RSVP for Christmas dinner by Dec 13th.

Vocational Training; 6 Philipino members in the group to visit Clare. Josie has contacted local medical/paramedical people. Now asking for offers of home billets for approx. 1 week beginning 3rd March 2019.

Exchange Student Ava spoke of the last 4 ½ months in Clare, and showed photos of her visits to various places in SA. She has made many friends at Clare High School, and met many other young people from all over the world through the student exchange system. She will soon move to Gawler for the next stage of her Australian stay. She is very grateful for the opportunity afford her by Rotary, and thanked everyone.

Ross Cunningham, Liam Edmonson and Kelsey Skeers (Year 11 2018) are going to Canberra for the National Youth Science Forum in Jan 2019. They applied on line, and were interviewed in Adelaide, before their acceptance. They are all looking forward to discovering new information and opportunities for a life in science. Liam is considering architecture, Kelsey pharmacy/ medicine and Foss physiotherapy, but they are all open to change.

In lieu of our programmed guest speaker, who failed to show, Katherine Vincent gave an impromptu presentation on Operation Flinders. OF is a world class outback adventure therapy program which aims to builds self- belief and confidence in young people. 10 girls from Clare High will take part in 2019. Dr Richard Harris (Thai cave rescue) is currently training to become a team leader. The basic format is that there are 6 exercises per year. 10 teams of 10 (from SA) will have 4 leaders in each team. Young people from 13 to 17 years are eligible, for 10 to 14 days camps in the far north Flinders Ranges. They have to become pretty well self- sufficient, with no toilets or showers, no communication with the outside world. They have to cook their own meals, and get along with others. They walk for 8 days with a back pack, and camp out every night. They are encouraged to think about the challenges offered, and they quickly learn manners and respect. The environment truly changes lives for the better. Katherine also expressed her appreciation of Rotary's sponsorship.
