2016-17	Patsy Johnson
2017-18	Marie-louise Lees
2018-19	Jacqui Atyeo

President's Report

I acknowledge and remember those Rotarians whom are no longer with us; PP Elizabeth Briggs, Charter Member PP John Duncan and Honorary Member PP Max Duldig. Their Rotary work was completed with passion and they were great examples of 'Service Above Self'.

My main foci for this Rotary year have been contributions to the Rotary Foundation, Youth projects, raising the awareness of the work of Rotary and involving the community.

We were very excited to induct a new member, Angela Moore, this year – and hope we can continue to attract members to work with us to make a difference in the World.

Our Club's total contributions to the Rotary Foundation for the year was \$7,775, with

\$3,210 of that amount dedicated to the End Polio Now fund. Our Club's event to raise awareness of Rotary's main work in the world (ending polio) attracted much publicity from the local MP and media. Our member, Kathy Heinrich, with the support of Marie-louise Lees, has led initiatives to keep the End Polio Now messages at the fore-front of RI District 9500 work.

The Rotary Club of Gawler has continued to support the Australian Rotary Health Indigenous Scholarship program and we saw Jasmine Taylor through a year of her nursing degree and now have been allocated another Indigenous student Montana Doudle, who is currently in her second year of Physiotherapy studies at Adelaide University. She will graduate in 2021.

Also there have been numerous opportunities for and cooperation and collaboration with Rotary Club of Gawler Light, other Service Clubs and Organisations e.g., the Gawler Council and the Willo's Men's Shed with the hard work of Mark Smeaton ensuring that this major project came to fruition during this Rotary year. We thank Gawler Council for their continued support under the guidance of Mayor Karen Redman. The Gawler Rotary Village Fair continues to be a shining light in our Club's work, where we provide a forum for other Clubs and Services to raise funds for their causes. Colin Bazeley, with support from a keen team, planned another successful Village Fair this Rotary year. Our Rotary Club's Friends of Rotary have also supported us in many projects.

Our Member's volunteer hours have been recorded during the Rotary year and our Members have made an amazing effort by contributing over 4,500 volunteer hours since July 1st, 2018.

We were successful in applying for a District Grant which we matched to purchase ten more TVs and brackets for the Gawler Health Services. This project built on our previous work at Gawler Health Services to improve the wellbeing of the patients by providing free access to quality TVs during their treatment and care time spent at this facility. As in other hospitals, patients often spend long days and nights in their wards, so maintaining strategies to engage/entertain them at this stressful time is critical to their well-being and achieving positive health outcomes. So far, we have installed a total of 22 TVs and brackets at the hospital.

We have established a group of committed non-Rotarian supporters who continue to volunteer at our 'Hands On' events. This Rotary year they have worked to pack 100 Birthday Bags for children currently living in emergency Northern Domestic Violence accommodation. Our Club provided the contents for the bags and much fun was had by all participants. At two other 'Hands On' events, they packed a total of 600 Birthing Kits for distribution to women to create a safe environment in countries where they lack access to birthing facilities. At these events, they are informed about Rotary's work at local, national and International levels. We have had some inquiries regarding membership by participants.

During this Rotary year we have supported/awarded or initiated 15 Youth projects. We celebrate and engage the awardees of these projects by inviting them to our Club, often many

times individually and in groups, and are constantly amazed at how our contribution and/or support has changed their lives in many positive ways. These are the people of the future and how wonderful that Rotary can support them in their journey.

In the absence of a Youth Service Director, I will list the major projects:

- Rotary Youth Leader Awards
- Rotary Youth Program of Enrichment
- Sponsorship of Rotaract Conference
- Youth Exchange (YEP) long term program
- National Youth Science Forum (including additional support for our Awardee to attend a further forum in Germany)
- Sponsoring families to attend the Gawler Show
- Assisted with catering at the Scouts Jamboree
- Supported young people to attend the Rotary Adventure in Citizenship, the YMCA Youth Parliament, and the Health of the River Forum
- We have continued to support the Gawler National Youth Week celebrations (1 500 X 3 years)
- Members visited and participated Operation Flinders
- Present an award for service to the community to a Gawler and District College senior student
- Organise and support the Rotary Junior Community Service program at Two Wells Primary
- Organise the Rotary Village Fair Youth Art Exhibition (120 entries Nov. 2018)
- Supported local swimmer Tryphena Nicolai to attend the Special Olympics World Games in Abu Dhabi in March
- Christmas gifts were donated to the Salvation Army in Gawler

Once again, our Club has participated in the Rotary Youth Exchange Program. Ava Koenzen has been a wonderful representative of her school, family, community and country during her time with our Club. She has quickly established positive connections and relationships with Club members and everyone she comes into contact with. We could not participate in this program without Host families and our Club is indebted to the Lees and Heinrich families for their on-going support with the Exchange program. Next Rotary year we are hosting an Exchange student from Italy.

Brian Burt has worked tirelessly with the Bunyip Newspaper to raise our Public Image in the local community. We have received exposure almost every week for this Rotary year – what a great effort! We thank the Bunyip Newspaper for their on-going support.

Michael Jacob has our Club online with a re-vamped website and has worked to further digitise our communications.

Steve Barilla has planned a relevant meeting program this year – which is a demanding job! Our meetings have been vibrant and interesting, with many visitors to welcome and involve.

This Rotary year the Gawler Districts Special Events Committee has overseen all of the Club fundraising opportunities and events such as the Christmas dinner meeting, the Adelaide Plains Male Voice Choir concert, the Racecourse Gate takings, the Caravan and Camping Swap meet, the Scouts Jamboree catering support and the Chinese dinner night (where the funding was donated directly to the Rotary Foundation End Polio Now project in remembrance of Elizabeth Briggs), catering at the Gawler Christmas Carols and the Changeover and 300th meeting – the work of this committee has been constant and very much appreciated. Their work ensures that we can fund our Rotary projects.

Of course, every President is supported and guided by the Board. This has been a joint effort by PE Steve Barilla, Secretary Marie-louise Lees, Treasurer Tony Atyeo and Directors Colin

Bazeley, Mark Smeaton and Michael Jacob. They have all done a great job, which is further documented in their reports. I especially thank Marie-louise Lees for her hard work on many issues and events and representing our Club at District 9500 at many levels.

I have appreciated the great support I have received from Club Members and members of the Family of Rotary during the year.

Jacqui Atyeo
President: Rotary Club of Gawler
June 2019

Secretary's Report

The Club will have 36 active members, 10 Honorary members and 8 Friends of Rotary as at 30/6/2019. Angela Moore was inducted as a new member in March with Jacqui Atyeo her sponsor. Beth Hudman resigned due to ill health and Jan Ween due to work commitments.

Rotarian Elizabeth Briggs was called to higher service this year. Elizabeth made a huge contribution to Rotary both through our club and serving on District committees and Interplast. Elizabeth also left a substantial bequest to The Rotary Foundation and this gift will provide benefits in perpetuity.

Former Rotarians Max Duldig, Jim Dahl and Charter Member John Duncan were also called to higher service this year. All these Rotarians contributed meaningfully to our Club and the wider Rotary over many years of their service.

This Rotary year there were 11 board meetings, Club Assembly and an AGM.

The adoption of Clubrunner has changed how information is distributed to members. Emails received are distributed on Sunday night in a single digest to reduce the volume of email traffic and to make the information easily accessible. The process has evolved throughout the year and now the emails are combined with the club bulletin so that members receive all correspondence in one format. The bulletin – email digest is also available on the Club Website, which is now run through Clubrunner as well.

PP Marie-louise Lees
Secretary

Club Administration

Chairman / President Elect Steve Barilla

Attendance & Catering Leanne Clinch, Bob Hinderwell, Geoff Benier
Programs Steve Barilla
Sergeant at Arms Barry Stewart
Special Meetings Kathy Heinrich, Leanne Clinch, GDSE Committee
Almoner Mike Williams
Clubroom Equipment Chris Edmonds, Tony Fotheringham.
ICT at Meetings Michael Jacob

Attendance & Catering

Leanne, Bob & Geoff, have been first contact for members at each meeting and their cheerful greetings make it easy for Rotarians to part with their dinner fee of \$25- each. A further improvement in assisting them has been the request for friends of guest speaker's dinner payment of \$20- each. Our Caterer Lori Smith has worked closely with the Leanne, Bob and Geoff in providing so many different meals this year for our members and guests every week. A special thank you to Lori for your hard work and great meals and assisting those with dietary requests.

Programs

Steve Barilla with Rotarians support has provided a program of quality guest speakers and topics to inform and entertain our members in the Rotary Club Rooms. Notice to all concerned when not attending the Club Rooms was always advised to the Gawler Council, Caterer, and the Barman.

Sergeants-at-Arms.

Barry Stewart has provided a fantastic job once again in assisting the President and Chairman every week to conduct meetings in an orderly way. Sergeant Barry always brought joy and laughter at every meeting with new ideas to engage the members every week, well done Barry.

Special Meetings

Kathy Heinrich and Leanne Clinch organised a number of great meetings that were very enjoyable, great participation and supported with great fundraising along the way. We can all look back and say that was a great night like: - Christmas Dinner & auction, Joint Rotary Clubs Picnic, Bowls Night, Polio Fundraiser Chinese Dinner in memory of late P.P Elizabeth Briggs and to close it off the 3000th Meeting & Rotary Change Over in July being further assisted by our GDSE Committee, Lance Hatcher, Allan Harris, Trish Williams, Stan Roulston, Colin Bazeley & Julie Tekell.

Almoner

Mike Williams has provided at every available moment knowledge to all our members this year, if one was ill, when one of our members or partners had passed away or when was ill or in hospital. Mike also has encouraged us to stay in contact with past members whom may be ill. A thank you must always go out to Mike at doing this job.

Club Rooms Equipment

Chris Edmonds and Tony Fotheringham a special thanks to these two whom quietly get the Club Room organised and prepare the room every week, the tables, seating , members badges, etc and then tidy it all up again. Well Done.

ICT at Meetings

Thank you Michael Jacob, your assistance especially when we have had guest Speakers has been a breath of fresh air in helping them with their ICT.

Thank you to all that have assisted in Club Administration as this has made the flow of every meeting easier, when ever there was a non conformance we all worked together and made it better. You all have been a pleasure to work with and appreciate all the efforts you have put to our club during the year.

Best Regards
Steve Barilla
Vice President

Almoner's Report

The last Rotary year has seen have seen many meeting reports on the health and wellbeing of members, their families and I thank many members for keeping me informed.

It is with a feeling of sadness to report that the club lost Rotarian member Elizabeth Briggs, together with past Rotary members John Duncan, Max Duldig and Jim Dahl . All who were longstanding and respected members of the club.

The Rotary Family also lost Helen Ahola, wife of Bob Ahola. Again she was a loyal supporter of Rotary.

Several Rotarians are suffering ongoing health problems and I am great full that members are able to find the time to visit, keep in touch and maintain the family of Rotary active in our club.

Wishing all Rotarians and their families health and good times in the time to come.

PP Mike Williams
Almoner

Catering and Attendance

Management of catering and attendance has returned to the attendance team of Past President Leanne Clinch, Bob Hinderwell and Geoff Benier.

The team has been working well with PP Leanne manning the attendance phone receiving apologies and notifications of guest and Bob managing the table arrangements on meeting nights.

A special thank you for those members who have assisted on nights when the attendance table has been low on regular due to illness &/or absences from the club.

Leanne Clinch, Bob Hinderwell & Geoff Benier

Website PR & Social Media Report 2017-2018

The Clubs Website was converted over to the new ClubRunner format and I encourage everyone to go and have a look at www.gawlerrotary.org.au.

The club bulletins are now being converted and loaded up to the new ClubRunner format and are being emailed out weekly to all members along with links to Club correspondence, this information is also all available via the website. I would like to thank Leanne and Marie-louise for their work on the bulletin and the new bulletin format.

I would also like to thank Brian Burt for his work with getting the club marvellous coverage in the Bunyip with pictures and stories almost weekly.

The club staged some Events tracked and partially organised by the face book site and another site called "Eventbrite" we had 2 very successful and well attended "Birthing Kit" assembly nights. I have included some pictures which show who saw and interacted with these events.

Rotary Club of Gawler
BULLETIN 2 June 2019

ROTARY CLUB OF GAWLER WEEKLY BULLETIN

Monday 3rd June 2019 - Meeting 2019

Guest Speaker: Robin Sheeler and Karen McGill

Subject: Growth Potential

Chairman: Stan Koulton

President: Geoff Butler

Secretary: Angela Moore

Treasurer: Brenda Hill

Members: P / S / Mark Forgie

Committee: P / Mary Hill

1st JUNE NO MEETING - QUEEN'S BIRTHDAY

Monday 4th June 2019 - Meeting 2019

Guest Speaker: Nick Thomson

Subject: Recreational Fellowship in Rotary / Farewell to Ann

Chairman: TBA

President: Judy Hannah

Secretary: John Williams

Treasurer: P / Alan Harris

Members: P / Steve Barilla

Committee: P / Anne Hatcher

President Elect Discussion - please no guests

Subject: P / Anne Hatcher

Chairman: P / Alan Harris

Secretary: P / Alan Harris

Treasurer: P / Alan Harris

Members: P / Alan Harris

Committee: P / Alan Harris

Monday 4th June 2019 - Meeting 2019

Guest Speaker: P / Steve Barilla

Subject: President Elect Discussion - please no guests

Chairman: P / Anne Hatcher

Secretary: P / Alan Harris

Treasurer: P / Alan Harris

Members: P / Alan Harris

Committee: P / Alan Harris

Meetings, unless otherwise noted are 6 for 6:30pm at Gawler Sport and Recreation Centre, Nansen Terrace Gawler.

RSVP by 10am Monday morning by SMS only to 0437 739 295

FORTHCOMING SERVICE OPPORTUNITIES AND EVENTS

5 June, 20 June, 3 July, 13 July: Gawler & Barossa Jockey Club Gate

20 June: Seven Women Film Evening

1 July: President's Changeover Dinner and 2019 Meeting - Nansen's Function Centre

GUEST SPEAKER - ABBY BUCKLEY - OPERATION FLINDERS

Abbey introduced Abby to the members at tonight's Guest Speaker.

Abbey used overheads and short video to provide members with her involvement with Operation Flinders. She has led 10 groups on the walk in the Flinders Ranges. The following statement was displayed.

"Every young person deserves the opportunity to be the best they can possibly be. Through I am here to explore with you how Gawler Rotary can support Operation Flinders to help our most young people get the opportunity to be the best they can possibly be."

WHO HAS HEARD OF OPERATION FLINDERS?

Operation Flinders Foundation has been around for 40 years. It's a SA charitable organization that runs a world leading, evidence-based, wilderness adventure program for young people at risk. The program

ROTARY'S VISION

"Together we see a world where people unite and take action to create lasting change - across the globe, in our communities and in our lives."

The Caravan, Camping, Outdoor & Trash 'n' Treasure Swap Meet was also advertised on Facebook and it was the first time advertising money (\$45) was used to "boost" a post to a local demographic area of around 7500 people. It is hard to know how successful this was as you would need to quiz each person who attended on the day if they saw the post on Facebook. Maybe this is something we could try in the future.

All in all public relations and all the various social media and new technologies needed to "get the Rotary message out" are working quite well.

Michael Jacob

Public Relations

The Bunyip has always supported the Rotary Club of Gawler, but this year's support has been outstanding.

In August, we farewelled Laura Collins who had been our liaison reporter for several years. Laura took a passionate interest in our club and could always be relied upon to report on events and projects.

Laura moved to the Riverland to take up a journalist's position with the ABC. She was recently promoted to the role of Chief Journalist for the ABC in the Riverland.

The Bunyip Editor, Grady Hudd, accepted our offer to be *The Bunyip's* contact to replace Laura. Having the editor as liaison person proved to be an excellent move and I have appreciated working with Grady who has given us superb coverage.

From July 1st 2018 to June 13th 2019, we have had about forty-five meetings. During that time, thirty-eight articles with one or more photos have been published. Additionally, several photographs with just a caption have appeared. In total sixty-seven photographs have been published this year, so there have not been many weeks when we haven't had a presence in the local press.

There is a cost involved and I will be billing the Club for a few cups of coffee!

The other cost is the time and effort needed to ensure that something of interest is sent to *The Bunyip* each week. There-in lays the secret of our success. The variety and quality of our weekly speakers plus the number and success of our projects is such that there is always something of interest, not for just our Rotary Family, but for the majority of readers of our awesome local newspaper.

PP Brian Burt

Club Bulletin Report

This year we had the same team as previous years with past Rotarianne and now Honorary member Judy Clinch as typist, Past President Leanne Clinch as printer and Past President, Past Secretary and Past Director Bruce Eastick as producer.

The Bulletin has been completed weekly, an important record of events and achievements for posterity.

PP Bruce Eastick
Bulletin Editor
2018/2019

Service Projects & Community

During this Rotary year, the club maintained their commitment to ongoing projects that our club has supported for many years, except that we did not do regular barbeques at Foodland and Bunnings.

- Gawler Show parking raised good funds (\$2500) and we provided six under privileged families the opportunity to attend this event.
- Catering with our Hot Dog stall at the Gawler Car Club annual swap meet (\$1300) and our own Caravan and Camping show & providing the PA system for this event. Gawler Light assisted at the Camping Show again this year. Again we had to pay a \$200 fee to the Car Club to attend this event but it was still a worthwhile morning.
- Distribution of Barossa & Districts Directory was not done this year as the directory didn't get sufficient support from Gawler businesses.
- Rotary Village Fair was again a success for the many community groups participating, raising close to \$20,000. These funds are put towards their activities within the Gawler area. A few new groups participated this year and we tried to restrict shelter numbers to 2 per group. Even with doing this nearly all our shelters were used. Additional signs were used to promote the fair this year, and the turnout was good, assisted by perfect weather. The Gawler town band again helped provide a good atmosphere on the day and the gymnastics, drummers and dog training demonstrations were appreciated by the crowd. The Youth Art show was again well supported. I have to thank Kim Potger for doing a lot of the final arrangements as I was absent overseas for the event.
- As before members helped out at the Australia Day breakfast.
- Catering at the Gawler Christmas carols (\$300) on Pioneer Park was again fairy Floss and hotdogs and this was less busy than usual.
- We continued to man the gates at the Gawler Racecourse on all their race days. This has proved a great activity for the club and I thank Bob Hinderwell and his small band of volunteers for their ongoing commitment.

We provided Gawler Light with shelters at no cost for the Carols evening, and for the Gawler Fringe. We also again donated 50% of hire cost to Relay for Life although a much smaller number was required.

Shelters were also provided to the Gawler RSL for the Anzac Dawn service at Pioneer Park.

A further number of TVs were recently upgraded at the Gawler Hospital using funds raised.

None of the above could have been achieved without the time, effort, enthusiasm and commitment of our dedicated and energetic Rotary members.

PP Colin Bazeley
Service & Community Director
9th June 2019.

GBJC Race Course

Once again the Rotary Club has been given the opportunity to man the entrance gate(s) for the Gawler and Barossa Jockey Club on race days. All meets with the exception of one as manned by members of the club.

A big thank you to the small band of members & partners who assist with this high return fundraiser.

Regards Bob Hinderwell

Vocational Services

Hands On Project

This year's major Hands On Project for Gawler Rotary was the Willo's Men's Shed Association located at Willaston that was part of the Fund My Neighbourhood Government Grant scheme.

Gawler Rotary were successful in their application and a \$20,000 grant was made available and used towards the new Workshop Building that will assist with Willo's growing membership allow them complete more community projects.

Vocational Visits

This year the Gawler Rotary Club undertook 2 Vocational visits to local organisations. The first was the new Gawler Salvation Army Worship Centre opened in early March 2019. The facility has been designed to cater for a wide range of uses and services for the local community. There is a main worship hall, child play areas, function rooms, full commercial kitchen and learning rooms.

The second visit was at the new Willaston Atyeo Vet Clinic. This facility has state of the art technology along with well experienced staff to care of any animal needs. This is a long standing business and Tony Atyeo owner of the new facility is well respected for his investment back into the local community and his contribution in helping build local employment.

Foundation / International

Toilets of India

Currently there is about \$1800 of funds in bank and \$2000 in promised donations with our club Kym Potger completed a presentation to Gawler Light Club during the year and they are very interested in making this a joint venture between the 2 clubs, this is just a matter of the 2 clubs getting together and coming up with further fundraising activities eg Indian banquet . The project is costed at \$5000US.

Birthing Kit Projects

There were two birthing kit evenings this year with both very successful and well supported by the Gawler Rotary Club, the local community and Zonta. A total of 400 kits were completed over the two evenings and been donated for distribution in countries of need. These kits are of significant support in assisting women during birth and a great initiative by our club.

End Polio

Chinese Banquet held in honour of Elizabeth Briggs. We managed to raise almost \$3,000. Well attend by 55 people with everyone donating items for the auction and raffle. Rebecca Rigano was the guest speaker and she spoke of her Mothers passion and love for Rotary and the wonderful legacy that she has left behind.

The past 12 months has been difficult due to my work commitments and I am disappointed that I have not been able to contribute more to our club however I am confident in our to be new President and his determination which will drive great success and reward for our club

Mark Smeaton
Vocational / International Director
2018/2019

Youth Committee Annual Report

No Report

Gawler and District Quality of Life Foundation

The Foundation has continued to consider applications for assistance which meet the criteria established by the Trustees. Applications have been considered using electronic communication between trustees to enable applications to be dealt with as quickly as possible. This year has seen five applications and one pending at the date of writing this report.

Grants were approved to –

- Young man with severe disability needing modifications to vehicle to transport him for medical attention.
A local support group raised considerable funding and was supported by another charity but were still short of the target. GDQOLF initially provided \$2000 in the previous year and the local group believed they could raise the balance needed of a further \$2000 but was unable to do so. The Foundation granted a second amount of \$2000.
- Single mother with several young children requested assistance to have some basic landscaping to her backyard so her children could play outside under her supervision. A grant of \$2241.80 was approved.
- Air conditioner for a lady who has medical problems but still volunteers in the community, lives in a Housing SA home but was unable to get an old air conditioner replaced by Housing SA. The Foundation will receive a contribution from Housing SA towards the installation cost. A grant of \$2400 was approved. The amount of Housing SA contribution is not yet known but has been approved.
- Young indigenous boy needed funds to complete his driving licence approval. He is a member of Army cadets and participating in the Duke of Edinburgh awards. A grant of \$300 was approved.
- Young student at a local secondary school where his single mother didn't have funds to purchase a school uniform creating a problem with his not wanting to go to school. A grant of \$250 was approved.

All grant funding is paid to the supplier in all cases.

Income received comprises \$534.03 in interest and donations from Lions Club of \$2,000 and Rotary Club of Gawler \$2,000.

Funds currently in hand as at 26th May 2019 in the cheque account and term deposit total \$29,090.40.

There is currently an application before the trustees which has not yet been discussed.

PP Lance M Hatcher
Chairman of Trustees
26th May 2019

Gawler and District Special Events Inc

The committee of the entity has met for 9 ordinary meeting and the Annual Meeting during the year. The committee membership up to the Annual meeting held on 26th November 2018 comprised Chairman Kim Potger, Administration and Finance Officer Lance Hatcher and members Stan Roulston, Bob Ahrens, Alan Harris, Julie Tekell and President Jacqui Atyeo (ex officio). At the Annual Meeting the following were elected – Chairman Alan Harris, Administration and Finance Officer Lance Hatcher, Assistant Administration and Finance Officer Kathy Heinrich, members Stan Roulston, Bob Ahrens, Colin Bazeley, Tony Fotheringham. At a later committee meeting members Julie Tekell and Trish Williams were appointed to the committee and President Elect Steve Barilla has attended all meetings since January 2019. At the first meeting in August 2018 President Jacqui asked the committee if it would be responsible for most of the events of the Rotary Club for the ensuing year. The Committee agreed that provided it has the capacity to take on that responsibility it would agree to that request.

The first events the committee were involved in were taking part in the Scout Jamboree at Tailm Bend in January and the Chinese Banquet in memory of PP Elizabeth Briggs in aid of the Polio programme in March. During planning for those events it was realised the Rotary Club would be having its 3000th meeting in 2019 and preliminary planning was commenced. The regular Caravan Camping and Outdoor Swapmeet planning began in January and the Chairman suggested a concert by the Adelaide Plains Male Voice Choir might be possible and it was scheduled for May 2019.

Earlier in the year Stan reported that the Glimpses of Gawler books were slowing and investigation of making them into an electronic version was commenced and is still ongoing. Printing of hard copies of the books is still going, based on demand.

The planning for the Scout Jamboree was drawn out and President Jacqui fielded most of the work in getting a team together. The team attended on a very hot and dusty day in January and were successful in completing their task.

The Chinese Banquet on 22nd March 2019 was well attended and raised over \$3,000 for Polio.

The Caravan Camping and Outdoor Swapmeet on 5th May 2019 was not as well patronised as the previous year both in site holders and general public. The final financial result is not yet determined awaiting final accounts to be presented and paid but an estimated \$4,000 surplus is expected.

The concert on 19th May 2019 by the Adelaide Plains Male Voice Choir was eventually located in the newly renovated Civic Centre in the former Institute hall where the Song of Australia was first presented 160 years previous. Attendance was again lower than expected by a small surplus of approximately \$200 resulted.

The 3,000th meeting of the Rotary Club was determined to be coming on 1st July 2019 so the President's Handover was planned for that same date. Planning is well advanced with invitations for a special celebration flowered by the change of Presidents.

The committee has had a very busy year and all members have contributed to the effort required. During planning Kathy suggested the Rotary Club have a special email address which could be used for any event being organised whether directly by the Rotary Club or the committee where the emails can be directed to any member who needs the information. This has been set up by Michael Jacob (webmaster) and is operating for the 3,000th meeting arrangements. The email is eventsrsvp@gawlerrotary.org.au

At the date of writing this report the funds in hand of this committee are a total of \$37,836.74 with estimated expenses of \$600 and tow donations request from the Club totalling \$950 to be paid before the end of the financial year. The Rotary Club can ask the committee to make donations or meet expenses for projects from these funds.

PP Alan Harris
Chairman
Gawler and District Special Events Inc
26th May 2019

Glimpses of Gawler Books Project

During this Rotary year a total of 30 books have been sold, comprising 15 copies of each volume.

The small reprint quantities of 10 at a time by BunyipPrint continues to make the drip re-supply to our outlets an easy task whilst allowing in-house stocks to remain small.

Sale of the books in the community continues through two outlets, namely Vadoulis Garden Centre and Gawler Visitors Centre. Upkeep of supply to these places is on a replacement basis through regular check-ups. Club thanks goes to the outlets for facilitating minimal effort required to keep the books available to the general public and visiting tourists.

With such little effort required to maintain the project it should continue as a promotion of the community of Gawler as well as being evidence of an active contribution by the Club to the town.

Project Coordinator
PP Stan Roulston

National Projects 2018/19

Indigenous Health Scholarship Student

In the 12 months of 2018 we have been privileged to sponsor Jasmin Taylor for the 2018 university year. Jasmin undertook an Intensive Care post graduate diploma, and achieved a High Distinction in her end of year exams in 2018. She now works in the Intensive Care unit of the Royal Adelaide Hospital and is loving it.

I was lucky to be invited to the 20 year anniversary of the project and the Graduation ceremony for last year's IH Scholars at Government House, and it was great to see Jasmin and the others receive their Graduation Certificate from His Excellency Governor Hieu Van Le.

Also present were other IHS committee members including PDG Barbara Wheatcroft, and this year's scholars who received their induction certificates from His Excellency.

This year we briefly sponsored Arleye Jongbloed, who was then awarded a higher scholarship, and moved on to that. We wish her well.

We now have Montana Doudle, another great student, who is in her 3rd year of a 4 year Physiotherapy Degree.

Montana is another lively high achiever, and will be attending our Changeover this year. I met Montana at a Barossa club and also at the same I HS Induction with Jasmin last year, and I wish her and all the sponsored students the very best.

The students I gave met, including the dozen or so this year's scholarship awardees, are bright and articulate, hardworking and a pleasure to talk to, and I believe this program to be extremely worthwhile.

End Trachoma Support Project

Stamps for the End Trachoma Now project have again been collected by our members, and this year they were also in worthwhile numbers.

I will be again posting them to the Rotary Club in Melbourne, who sort them and sell to dealers for the project fund.

Many thanks to those members and friends who generously donated stamps, it was great to see them mount up again during the Rotary year.

PP Patsy Johnson
