

Further to my email below of 24 May 2019, I am a little concerned as current coordinator of the above Award that to date we have only received 3 nominations with possibly only one of those of use.

Without nominations the Award will not succeed. It would be very much appreciated if you could rally/motivate the clubs in your group to seriously think about submitting a nomination for the SA Police Officer of the Year Award 2019. Nominations will close in 30 days time on the 19th July. Perhaps it might prompt a club if out an email with the wording below is sent. I am open to any other suggestions you may have to get the message out there. Any ideas or assistance you can provide would be very much appreciated. I can be contacted on 0431325090.
