To the Manager/Owner, all Port Adelaide and Semaphore businesses...
Have you heard of the Port Adelaide & Semaphore Cruise Ship Shuttle Bus? This is a shuttle bus service specifically tailored to bring national and international visitors arriving at Outer Harbour on Cruise Ships to Port Adelaide & Semaphore.

The specific intention of the shuttle bus service is to divert these visitors from heading off elsewhere in Adelaide and bringing them to the local area to take in our history...& spend their holiday \$\$dollars\$\$ here!

The North West Business Alliance have been operating the Hop On Hop Off Shuttle Bus service for 3 years now, and are happy to report the passenger numbers visiting the local area have increased year on year (with over 1300 passengers staying and shopping/sightseeing locally last season). With the help of local volunteers and businesses, passengers are currently intercepted at Outer Harbour on their way to the train station and provided information around what the Port and Semaphore has to offer. Whilst, as the increase in passenger numbers indicate, the service has been building each year, we need the support of local businesses to help encourage passengers to stay local.

We are passionate locals wanting to support local businesses – but we can't do it alone!

We are all working hard to get the passengers here...but are now asking you as a local business manager/owner – are you able to offer anything to help encourage these passengers spend their money here. Some ideas you may perhaps consider are:

- % off entry fee/goods/services
 - some kind of deal (eg coffee and cake deal? / buy one get one free?)
 - schedule a special event at your location
-

If you would like to know more or have more questions, we will be holding an information session:

Where: The British Hotel, Port Adelaide

When: Monday 19th August 2019

Time: 6.00pm – 8.00pm

Please RSVP by registering to attend [via this link](#) or by going to:

BEETROOT **new**

Our stand out pink bun, soft and light, great for an all Aussie burger loaded up with classics like egg and fresh beetroot. It's also a perfect Valentine's Day promotion in the making. Vegan friendly, available as a 10cm (packs of 30)

SPINACH **new**

A soft, light bun, made using real spinach, a great "healthy" looking burger, perfect for a breakfast bun with eggs and bacon and a side of smoked salmon, it will also make a great Vegetarian themed bun loaded up with a grilled field mushroom, tomato and fresh lettuce. Vegan friendly, available as a 10cm (packs of 30)

SEPIA **new**

A potential social media star – this could be a spectacular point of difference on your menu. Made using squid ink, it gives a light nutty flavour to the soft, delectable black bun.
