

Never Ending Friendship Tea Building Community How Does it Work?

The Rotary Club of Orléans is raising funds for Community and International Projects and in the process is building community by connecting people. This year, with the help of the Community, we are piloting The Never Ending Friendship Tea fundraiser. It's so simple. Everyone does a little and together we can accomplish so much. Join us!

Proceeds of Friendship Teas: These Teas will support mostly Local Community projects and some worthwhile causes in our International Community. Locally, this year, we have chosen to support the <u>Youth Now Farm</u> and internationally we will support recovery efforts in <u>Dominica</u> <u>Building Technology Project</u>, responding to the devastating impact of Hurricane Maria.. If there are excess funds we will select projects from community proposals to the club. Examples of projects we are supporting or have supported in the past include, Miracle League of Ottawa, Rotary Home, Rotel Ottawa, Petrie Island Canoe Club, Exchange Students, Polio Eradication, Immigrant Family Settlement, Youth Awards, Computers for Schools in Africa, Special Needs Education in Dominica.....

What is a Friendship Tea: A small informal gathering (1-7 guests) of old and/or new friends where some form of beverage (tea, coffee, other beverage) is served. Food may or may not be served. It's your choice. Just get together and enjoy the company. You will guests will donate the small sum of \$10 to support the above worthy causes.
