BENEFICIARIES

Bakersfield West Rotary Breast Cancer Fund

This perpetual program will help provide mammograms, biopsies, compression garments and other needs for women in our community through the new Breast Center at Adventist Health Bakersfield. The Center includes state-of-the-art tools such as Tomosynthesis 3D Mammography and biopsy equipment.

Bakersfield West Rotary - Stroope Family Foundation

The Bakersfield West Rotary Foundation, established in 1993, serves the less fortunate youth of Kern County by providing funds in the areas of education, literacy, health, and welfare. Its mission is to provide assistance to organizations and individuals dedicated to these goals.

Boys and Girls Clubs of Kern County

The Boys and Girls Clubs of Kern County continues to serve more than 5,000 youth throughout our community. With the help of the 2018 Cioppino Feed, the Clubs will be able to inspire and enable all young people - especially those who need it most - to reach their full potential as productive, responsible, and caring citizens.

Bakersfield Memorial Hospital – Lauren Small Children's Center

The Lauren Small Children's Center at Bakersfield Memorial Hospital consists of the Pediatric Intensive Care Unit, the Neonatal Intensive Care Unit, and the acute care Pediatrics Department. The newest addition to children's services at Bakersfield Memorial Hospital is the Robert A. Grimm Children's Pavilion for Emergency Services with separate waiting, triage, and treatment areas dedicated to children ages newborn to 14. Pediatric patients also receive care at the Grossman Burn Center at Memorial. Ongoing donations are necessary to keep these services up-to-date in technology to meet the needs of our growing community.
