

"HIDDEN MASTERPIECES"
11th Edition of "Discover the
Marche" Tour
Italy May 25-30 2020

Dear President,
Dear Secretary,

We would like to bring to your knowledge that, encouraged by the signs of enthusiasm shown by those who have already participated in previous editions, this year we will also carry out the ROTARIAN TOUR "HIDDEN MASTERPIECES" to discover the Marche, which will take place from 25 to 30 May 2020.

This initiative, part of the Service that our Club plans every year in order to contribute to "END POLIO NOW", tends to introduce Rotarians and their guests to the architectural, artistic, pictorial, naturalistic and gastronomic beauties of the Marche

Region which, perhaps less known among others, it encompasses almost all the most salient aspects of the whole of Italy. In fact, it has been called "Italy in a Region" and this year has been awarded the recognition of "Top Regions - Best in Travel 2020" by the international agency Lonely Planet. The initiative is not for profit and the resulting contingencies will be devolved this year primarily to the Rotary Foundation-Polioplus program.

In the Rotarian spirit that unites us, we kindly ask you to let all members of your club know about this initiative, so that all interested parties can send us their membership and booking.

The tour will begin concretely in the afternoon of May 25 (Monday) and will end on the morning of May 30 (Saturday).

Includes the stay in Ancona in a double room with breakfast in Hotel ****, the meals indicated in the program, drinks included, from the evening of May 25 to the morning 30, including the Rotarian gala evening on the 28th, guided tours in private coach with Rotarian escorts, interpreters and guides.

The participation fee is € 990.00.

Anyone wishing to use a single room will have to pay a supplement of € 200.00.

We are confident that the variety and importance of the places and works of art that we will have the pleasure of visiting will leave pleasant and unforgettable memories for our guests.

The maximum number of participants is expected in 50 people, while we must reserve the possibility of canceling the program if we do not reach registrations for at least 30 people.

Attached you will find the detailed program.

If something is not clear to you, it is at your disposal for all the necessary explanations:

• Giovanni Venturi (Rotary Club Ancona-Conero) +39 3939672739 (gventuri1@hotmail.it)

Reservations can be made through the registration form and under the terms therein contained, sending a down payment of 400 euros per person by 22 March 2020.

The remaining amount will have to be paid by 26 April 2020.

We are making the utmost to organise a memorable Tour for our guests.

See you soon, then. With friendliest Rotary wishes.
