

## Paul Harris Society

The Paul Harris Society is open to Rotarians who pledge a donation of \$US1000 per year to the Rotary Foundation.

Does \$US1000 sound like a lot of money? Try this. Think about how much money it costs to live on a monthly basis. Take in all of your costs including food, energy, communications, housing, transport, health and everything else you can think of. What's the total? \$4000 per month? \$6000? More? How much difference would an extra \$150 per month really make?

The Paul Harris Society has more than doubled in size since 2013-14. Society members make up a vital community of leaders whose contributions account for over 18% of the donations to the Rotary Foundation's Annual Fund and over 17% of donations to the Foundation overall. This support allows the Rotary Foundation to fund extraordinary projects and activities close to home and around the globe. PHS contributions count towards the District's overall contributions so are included when the calculation is made as to how much will come back to our District for investing in projects initiated by D9810 clubs.
