

**Leadership and Learning Assembly** webinars to complete your distance-learning program.

The following webinars are trail markers in your training, giving you the opportunity to hear directly from the District level person and other clubs' leaders who are working in the same position as you. A great time to swap camp stories or questions regarding the ins and outs of the position.

First, be sure to view the **Rotary International Learning Center** videos on the basics of your leadership position – You will find these by starting on the **District 5190 website "For Members"** tab. Proceed to the bottom of that dropdown menu to **Leadership and Learning Assembly**, click on the title and you will be taken to the Leadership and Learning section. You will find your leadership position or one similar to it on the left hand side, click on your position. This will take you to a list of possible RI Learning Center Videos or other materials. Click on the title you are interested in and you should be directed to Learning Center of Rotary International website. If you do not have a login for the RI site you will need to sign up for that first. There are instructions for you to follow. If you have any questions, please feel free to email Karen McDonald at [karenmcdon@aol.com](mailto:karenmcdon@aol.com)

The following webinars have been set, there are more to come!

**Title and presenter**

**Date and time**

**Leadership Opportunities**

Wednesday, July 22 at

7pm

Saturday, July 18 at 1pm

Stacy Graham – [stacylg68@gmail.com](mailto:stacylg68@gmail.com)

**International Service**

Tuesday, July 28 at 4pm

(This session is scheduled for one hour but will continue if conversation and questions need more time)

Title: International Service -- Opportunities for Worldwide Partnering

In Rotary, clubs have many ways to engage in international service. Connecting across borders provides opportunities to partner with other clubs, create sustainable change, develop friendships and cross cultural awareness, even without a grant. For your club's larger international projects, get clear on how global and district grants work.

Ramona Delmas and Carolyn Feuille  
(Please email Karen McDonald – [karenmcdon@aol.com](mailto:karenmcdon@aol.com) to receive the invite for this session)

Please email the presenter of the webinar so that you can receive the Zoom invite to the session.

Congratulations and thank you for taking on the opportunity to lead your club! Each of us has the abilities to lead and succeed with a little bit of help from our friends. Don't worry, the trail looks tough but with support we are able to achieve great things. Grab that backpack and head on up the trail, your fellow Rotarians are waiting for you just up the path.

Question? Please feel free to email Karen McDonald at [karenmcdon@aol.com](mailto:karenmcdon@aol.com)
