RYLA Rules of Conduct:

1. **Students must ride on the bus transportation to be provided by Rotary District 7930 to Camp Glen Brook in New Hampshire to and from RYLA.**
2. Students are part of a family / team at RYLA, and coming late or leaving early disrupts the learning environment. We require students to be at the camp for the entire duration of the program.
3. Students will attend and participate in all scheduled meetings and activities.
4. Students will conduct themselves at meals, in the family cabins and during all activities in a manner that will bring credit to themselves, their schools, their families, and their sponsors.
5. **SMOKING IS PROHIBITED.** This is to respect all participants and to avoid potential fire hazards.
6. **ANY MEDICATIONS**, whether prescribed or “over-the-counter”, must be identified on the containers and given to the Medical Staff for medication administration. Inhalers and epi-pens may be kept by the students as long as Medical Staff are notified that the student is in possession of such medication.
7. **Alcohol, Drugs and Unidentified Medications are NOT ALLOWED anywhere at any time.** Any student in possession of ANY of these items will be immediately discharged from the program.
8. Recreation activities are limited to those periods of the day and evening available for such activities.
9. **Injuries** must be reported immediately to the Medical Staff.

If you wish to use the camera on your cell phone, you may keep it with you during the day for **camera use only**. **Cell phones being used for texting, social media, or phoning during the day—either incoming or outgoing—is prohibited. Misuse of the cell phone may result in camera privileges being rescinded and phones being turned off.** Cell Phone use is allowed only in and around the sleeping cabins between the conclusion of the last scheduled activity and “Lights Out.”
12. Every activity at RYLA involves solving a problem with your family. If you receive notifications via your cell phone during activities, this will impact how you respond to the activity and can negatively impact you and your family’s experience. **If you are found using your cell phone for any communications during the day, you will be asked to surrender it for the remainder of the weekend.**
13. **LIGHTS-OUT** means quiet in the cabins with the lights out. We have a full program schedule and it is important to be well rested to get the full benefit of the program.
14. **Meals** “Family” meals are to be taken together with your discussion group members. “Open Seating” meals are intended for meeting other students and sharing your weekend experience with them as you wish. Each group is responsible for cleaning their eating area after each meal.
