

Party Bags To-Go

An in-club project to benefit your local food pantry.

What is it?

This low-cost project can easily be completed during a meeting. Members package “party bags to-go” in assembly line, complete with party supplies. The bags are donated to a food pantry or program of your choice. They are then available for clients to take for special occasions.

What will the District provide?

The district will kick-start your project by donating;

- 1) party bags to fill (see photo)
- 2) packages of generic candles (see photo)
- 3) packages of generic party horns (see photo)
- 4) assorted invitations for the pantry to have available

What do clubs provide?

We suggest the clubs purchase the following:

Cake mix and frosting, table covers, any additional themed decorations, cups or plates, decorative napkins

Got other in-club project ideas? Let us know!
