## President's Announcements

Last Thursday President Holly encouraged us to participate in dressing for Halloween. The best costume winners were Alicia Vazquez and Hannelora Reinhardt. MaryJo Fenyn won a prize for the best Halloween Knock Knock joke. We also learned that the first jack-o-lantern was a turnip in Ireland. Jean Bendix impressed us with her knowledge of Werewolves! Coke Veith came the closest to the correct number of candy corns in the jar and is now the proud recipient of over 400 pieces of candy!

Thursday, October 24th we held our annual Service Above Self dinner. The recipient was our own Pat Albrecht along with the Tobacco Free Baby and Me Program at the Newark Hospital. That night we collected just over \$200 at our Silent Auction for Polio.

## Speaker - Mayor Jonathan Taylor

Rotary's theme for the month is community and economic development. Linda Werts invited our Mayor to give us perspective on Newark's growth. Jonathan grew up here in Newark in a farming family. He graduated from Cornell and is now working for El-Vi Farms as the assistant Feed Manager. He is starting his sixth year as Newark's Mayor.

We were amazed to hear that there are 6,800 people working in the village of Newark.

Increasing economic growth is due to the following businesses - IEC, Marshall exterior, Spinco, Whispering Winds, the new Byrne Dairy, Honest Pharm Co., V-Tech, Erie Shore Landing Ice cream and Bakery, Grind-On Coffee, and Ultra Life. Newark has become the hub for health care with the Newark Wayne Community hospital and Laurel House. Our nurses are about to

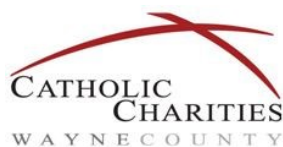

gain Magnet Status - 1 of 6% in the country. A great effort is being made to keep young professionals in Newark.

Townhouses for Seniors are being considered for Lincoln Road. GOOD NEWS - On schedule, Main Street is open and the new lights are up! Another project in the works is paving and adding benches on the Canal trail. The village is hoping to team up with the School for a possible Amphitheater on the canal. We can be proud to live in such a productive community!
