President's Announcements

In honor of completing another decade, President Holly put together a slide show for the past 10 years of Rotary that we were able to watch while we had our lunch. She took us on a trip down memory lane, saying goodbye to a decade. Ten new dictionary words were added in the past decade including Emoji and Hangry. A popular video game was Candy Crush. Who could forget the 5 Star Wars films, Frozen and Harry Potter. We could go on and on!
