# DISTRICT DISASTER RELIEF EFFORTS

Fellow Rotarians,

For the monthly message I share parts of an email IPDG Roger has sent to the AG's in Trinidad and Tobago. IPDG Roger is coordinating the relief efforts from Trinidad to Antigua and elsewhere. It perfectly states the view of the District team about our response to the damage done to the islands by hurricane Irma.

*As you know, everyone is keen to gather "relief supplies" to send to the hurricane stricken islands.*

*As you may also know, Rotary has been criticized a bit for not acting fast enough, and some of you may have gotten this sort of feedback already.*

*However, we pause for a good reason and that is so as to assess the situation and determine their specific needs in a coordinated way, and to not waste our time, money and effort on items they may already have or already en route to them.*

*For example.*

*People rushed food and water to Barbuda where it sat until it was transported back to Antigua only yesterday. Instead of waiting for a coordinated approach, they sent the help to Barbuda but by that time everyone was evacuated off the island already and being housed in Antigua. This turned out to be a waste of time and effort and expense. And because of the unique circumstance with Antigua being so close and not very badly affected, our approach to help must also be more measured taking that into consideration.*

*Gathering foodstuff and other materials sounds good (and is great PR).. BUT.. this requires a collection point with warehousing space, transportation to the ports, arrangements for shipping, documentation, customs etc. and arrangements for the Antigua end to receive these supplies and all the associated logistics there too. This is added to the cost for freight and the loss of time in transit. However, Antigua stores have almost all these items too!!*

*So this is the reason that our effort should concentrate on sending money to the Rotary Disaster Relief Account being set up by the two Clubs in Antigua.*

*We send money and we allow the RC of Antigua, who are on the spot, to ascertain what needs to be bought and supplied to the various shelters working alongside their local NODS and other disaster relief organizations on home soil and then eventually towards longer term projects such as re-building. Again the local Clubs would determine when these sort of purchases need to be made and so the result of our collective relief effort is much more focused and worthwhile.*

*I hope this will help you in taking to the message to the Clubs to garner their support with money as our best option to help in the most positive way.*

*Good luck with your efforts.*

# CLUBPROJECTS

**On the 26<sup>th</sup> of August 2017, Rotary Club of Paramaribo Residence, in collaboration with Rotaract Club of F.R.E.S.H. held their 16<sup>th</sup> annual Go GLO event.**

On this day students from primary schools throughout Suriname, who achieved a total of 60 points and more for their final exam in 7 subjects, were awarded for their excellent school performance.

The funds for the Go GLO event are gathered through donations and sponsorships from the business community. Go GLO has become a well-known concept in Suriname of which Rotary Club of Paramaribo Residence is very proud of and it can be said that Go GLO 2017 was a success!

## CLUBPROJECTS (CONT'D)

**Middle school Excellence Award, (VOJ) organized by Rotary Club of Paramaribo in collaboration with Rotaract Club of Paramaribo**

**A total of 27 boys and girls within the age of 11-14 years old, from 11 different elementary schools in Paramaribo have participated in the Stuka Prisiri (pleasure in learning) Project.** The Stuka Prisiri project is a two- year program in which the Stuka's (children) from struggling economic backgrounds learn a variety of basic life skills. During the closing ceremony the Stuka's have demonstrated to their parents, teachers and representatives from the **service clubs Quota International and Rotary Club of Paramaribo Residence** which skills they have obtained while participating in the program. They have done all sorts of activities like learning how to play chess and kickboxing. They have learned how to creatively express themselves through all forms of art like for instance dance, music, and drawing. Finally they went to different kinds of museums, national institutions and Surinamese businesses.

## CLUBPROJECTS (CONT'D)

**On Saturday 26<sup>th</sup> August, 2017, the Rotary Club of Princes Town hosted its 24<sup>th</sup> Annual Chokha Fest at the grounds of the picturesque San Fernando Hill.**

Patrons enjoyed a variety of tasty traditional East Indian choka dishes accompanied with hot sada roti (prepared and cooked on-site), fry bake and pepper roti served by Rotarians, their Partners-In-Service, potential Rotarians and friends of the Club.

On the menu were sixteen (16) varieties of Chokas including fig choka, eddoes, buljol, ochro, sikeire fig and salt fish, tomatoes and pumpkin chokas, just to name a few. Patrons also enjoyed the all popular Pepper Station which consisted of spicy relishes such as Mother-In-Law, Coconut Chutney, Murtani and Kutchela prepared by the Club's in-house pepper connoisseurs, Rotarian Curtis Dass and Partner –in- Service, Yvette Dass. Dinner was complemented by mouth-watering sweet rice as dessert which was prepared and served by Rotarian Jamir Ousman.

Patrons danced the evening away to the live entertainment of the very versatile 'Samsara D Band' and melodious performances on pan by child of Rotary, Kyle Ali.

The proceeds generated from this venture will be devoted to the Club's scholarship program where deserving students pursuing tertiary education are awarded. Our Scholarship Awards Ceremony is scheduled for 22<sup>nd</sup> November, 2017.

The Rotary Club of Princes Town extends sincere thanks and gratitude to all those persons who purchased tickets and came to the event to fellowship with us and enjoy great food, non-stop entertainment and the wonderful ambience on the Hill and looks forward to your continued support in ***Making a Difference*** in our local community.

# IN MEMORIAM

What moves through us is a silent, quiet sadness. Little by little, we begin to remember not just that you died, but that you lived. Friendly, gentle, and loved. That your life gave us memories too beautiful to forget.

Past District Governor Victor Pilgrim was a member of the Rotary Club of St. Augustine West for over 30 years. Two times he served as the Club's President. In 1993-1994 and 1997-1998. PDG Victor served as District Governor of Rotary District 7030 for the period 2006-2007.

"PDG Victor served Rotary with distinction and has truly made a difference in the world!" (RC of St. Augustine West)

# RLI PHILOSOPHY

**"Having leadership skills does not alone assure good Rotary leadership. An effective Rotary leader must ALSO have Rotary knowledge, perspective about where Rotary has been, where it is now going and a vision of what Rotary can be."**

Top ten reasons why all Rotarians should consider attending  
Rotary Leadership institute (RLI)

1. You want ROI (Return On Investment) for your Rotary membership.
2. You want to learn how to apply your business leadership skills to volunteer/non-employee leadership.
3. You enjoy learning through discussion...NO LECTURES!
4. You want to learn BASICS of the Rotary Foundation.
5. You want to learn how to execute EFFECTIVE service projects.
6. You want to learn how to retain and engage members for the long run.
7. You want to learn how to use the power of 35,000 clubs to solve local and global challenges.
8. You want to learn how an "ordinary" person can make an extraordinary impact.
9. You want to do all of this while: meeting/networking with like minded, interesting Rotarians who think like you do...and
10. Learn how to create the opportunity for life changing "Rotary Moments"

## ROTARY SATELLITE CLUB OF GROS ISLET SOUTH, SAINT LUCIA WAS RECOGNIZED BY ROTARY INTERNATIONAL ON AUGUST 30<sup>th</sup> 2017

At the commencement of the current Rotary year, The Rotary Club of Gros Islet, working with past Rotaractors and past Rotarians from the South, started the process of establishing a Satellite in the South of Saint Lucia. The objective: to reestablish Rotary in the South of Saint Lucia. The idea of using the Satellite Club approach, was explored and we concluded that this path to establishing a fully-fledged Rotary Club should be considerably shorter than the traditional method of establishing a provisional Rotary Club. The advantages of the Satellite Club approach are:

- The Satellite Club takes far less time to get recognized by Rotary International. In the case of this Club, the process took about two months.
- The minimum number of persons required to form the satellite Club is eight. A Rotary Club requires a minimum of twenty.
- During the transition period leading up to becoming a Rotary Club, members are Rotarians. This is not the case with a provisional Club where members only become Rotarians when the Club is Chartered.
- It is easier to attract members to a fully functional Club.
- Satellite Clubs have the full support of the “parent” Club as the members are members of the “parent” Club.

At the date of recognition, the Rotary Satellite Club of Gros Islet South, Saint Lucia has thirteen members with a further two or three persons on the verge of joining. The vibrancy of the group will attract persons in the South (Soufriere in the South West to Micoud in the South East) who are seeking a reputable and pro-active organization with international stature through which they can give back to the community and enhance their business and social network.

The executive of the Club is:

Shermie James-Darchiville – Chair Person (past Rotaractor and past Rotarian)

Eyan St. Helen – Vice Chair / President Elect for 2018/2019 (past Rotaractor)

Jenny Chicot-Louisy – Secretary (past Rotaractor)

Lana Baptiste – Treasurer

Richard Isaac – Chair – Club Administration (past Rotarian)

Cadley Peterson – Chair – Service Projects (past Rotaractor)

The Club meets every 1<sup>st</sup> and 3<sup>rd</sup> Thursday of the Month at 5.30pm

# PUBLIC IMAGE CITATION

## PUBLIC IMAGE RESOURCES

How we share our story with the world is vital to Rotary's future. ## WHY CREATE A PUBLIC IMAGE CITATION?

Rotary and Rotaract clubs throughout Zone 34 are already doing a great job in creating a positive Public Image in their communities. The Public Image Citation serves the purpose of recognizing these clubs for their efforts. At the same time, it will encourage clubs which have not yet developed a Public Image plan, to do so.

## ROTARY PUBLIC IMAGE COORDINATORS

Appointed by the RI President, the Public Image Coordinators provide information and support to Rotary Clubs and Districts, to help them promote projects, share success stories and explain what Rotary is and does, through the media. They also work to improve the organization's overall Public Image, a priority outlined in the Rotary International Strategic Plan.

## ENHANCE PUBLIC IMAGE & AWARENESS

- > Unify image and brand awareness
- > Publicize action-oriented service
- > Promote core values
- > Emphasize vocational service
- > Encourage clubs to promote their networking opportunities and signature activities

Through **fellowship**, we build lifelong relationships that promote greater global understanding. With **integrity**, we honor our commitments and uphold ethical standards. Our **diversity** enables us to connect different perspectives and approach problems from many angles. We apply our **vocational expertise, service, and leadership** to tackle some of the world's greatest challenges.

## ZONE 34 PUBLIC IMAGE CITATION 2017-18

Rotary's public image is shaped by the actions of each of its clubs & members, as well as by its involvement in the community, its presence on the web and social media and the publications it produces.
