PRECIOUS BEGINNINGS

Kiwanis®
APPLETON - FOX CITIES

Use this Precious Beginnings resource list to quickly connect with agencies to help with both emotional and practical assistance during this challenging time.

Precious Beginnings is a project started by the Appleton-Fox Cities Kiwanis, a dedicated group with a focus on serving young children and families from birth to age 5. The early years of a child's life are crucial in shaping their future, and we are committed to creating a positive impact during this formative period. Precious Beginnings strives to support families in their journey of nurturing and raising healthy, happy, and well-rounded individuals.

We recognize the unique challenges faced by families with babies in the Neonatal Intensive Care Unit (NICU). We have partnered with local community organizations to provide you with educational resources as well as connecting you with support services and programs that enhance early childhood development, laying the groundwork for family connectedness and success.
