Solana Beach Eco Rotary Club

Community Reusable Dinnerware Kit Terms and Conditions

The Community Reusable Dinnerware Kit has been developed by the Solana Beach Eco Rotary Club. It is a collection of mismatched dining plates, bowls, glasses, utensils, mugs, and serving ware designed to be used multiple times, promoting sustainability, and reducing single-use item waste. The project aims to make it easier for the community and event organizers to choose the reusable option when large quantities of dinnerware are needed. It helps save money and encourages communal activities.

The Community Reusable Dinnerware Kit will be lent under the following Terms and Conditions:

1. The Solana Beach Eco Rotary Club has ownership of the Community Reusable Dinnerware Kit.
2. The Kit is loaned for free but we encourage you to make a donation to support the program.
3. All items are stored in weathertight boxes, in our Club Storage located in Solana Beach.
4. All items are mismatched. This means that items may vary in size, shape, and colors.
5. We inspect items before storage, but we don't rewash them. We suggest that you wipe or rinse items before use.
6. The Kit must be returned clean and in the respective boxes.
7. The Kit must be returned by the due date. If you would like a loan extension, contact our Zero Waste Committee Chair in advance of your due date to see if an extension is possible.
8. We require a refundable one-time deposit. Deposit corresponds to half of the set number (E.g.: if you borrow a kit for 20 people, your deposit will be $10). Payment can be made in cash, online or check payable to Solana Beach Eco Rotary Club. If you cannot pay the deposit, contact our Zero Waste Committee Chair.
9. We ask that you replace any missing item (mismatched items are ok). If you did not replace the missing items, we will invoice you for $1 per missing item.
10. We ask that you return the Kit clean, otherwise we will invoice you $100.
11. The loan deposit will be refunded upon receipt of the full clean loaned Community Reusable Dinnerware Kit. If the kit is returned with missing items or unclean, the deposit will be refunded once the invoice for the missing items or cleaning will be paid. Payment can be made in cash, online or via check payable to Solana Beach Eco Rotary Club.
