Membership Application

Zymurgy is the art and science of fermentation.

We are dedicated explorers of the fermentation process, searching out unique flavor combinations that delight our palates. Our evolving interests are beers, ales, wines, meads, ciders and other cordial drinks, along with foods that, paired together, enhance our life experiences. We have added coffee roasting too. Join us as we tour some breweries, wineries and make new friends!

Beer Events - Beer tastings, Brewing Demonstrations, Brewing Classes, Beer Education Events

Wine Events - Wine Tastings, Winemaking Kit Demonstrations, Wine Education Events

Food Paring - Match food with a style of wine or beer type

Special Events - Spring Picnic, Beer-Fest, Wine or Beer Tours & Trips, Summer Pool Parties, Oktoberfest, Holiday Party, Evening Entertainment
