ARIZONA RLA

Dear Rotarians,

The Arizona Rotary Leadership Academy, RLA, is a special learning place. Facilitated and led by a faculty of high caliber Rotarians, it provides a unique and enriching next step in Rotarian leadership development. Knowing that you are seeking new and deeper Rotary leadership experiences, we can assure that your time and energy will be well spent. The academy experience will guide you to new Rotary and leadership learning and provide access to a wide range of Rotary learning resources and opportunities to work in a small learning group.

Facilitating your learning is our primary focus. We clearly understand the impact of time constraints in your busy and vibrant life. We will honor them and provide support and guidance as you work through the six courses of the academy.

We look forward to you exploring the learning opportunities the academy presents and becoming a leadership resource for your Rotary district. Should you have any questions please contact at your earliest convenience.

Yours in Rotary,

Class Graduation at a District Event

Arizona RLA was founded by District 5510 in 2004-05 as a response to recognizing the increasing demands on Rotary leaders' time, as well as a Rotary Districts' need to find the most capable and talented Rotarians for leadership positions. This distance-learning approach to Rotary leadership development spread across Arizona in 2006-07.

Our students are select Past Club Presidents and RLI Graduates from both of Arizona's Districts. They obtain exceptional training via remote instruction, under the guidance of some of our most capable and experienced Past District Governors and other Rotarians. They work at their own pace and on their own schedules, within the guidelines of the program.
