

Role of the RLA Small Learning (Topic) Groups

- Get acquainted with one another—You have emails and phone #s of the student and faculty on the Faculty/Student list.
- Rotate the roles of “meeting scheduler” (schedules the Zoom and distributes the Zoom link) and “meeting facilitator” (facilitates the group meeting) for Zoom meetings.
- Share Rotary interests with one another with a particular focus on your learning group topic.
- As a group, decide about the focus for each of the meetings.
- Be available to discuss courses and provide learning support one another during the RLA year
- Recommend prominent Rotary topics for the RLA group to discuss in one hour Zoom sessions (attendance will be voluntary).
- Each small group will have a faculty support person.

Enjoy the adventure of learning together and supporting one another.

IT IS YOUR LEARNING GROUP!!
