

RLA's Vision (5/22/21)

We provide a core of trained Rotary leaders who guide our districts' Rotary future.

RLA's Mission (5/22/21)

The Arizona Rotary Leadership Academy (RLA) trains and guides nominated Rotarians as they expand and deepen their core understandings of Rotary and the leadership skills and talents they will apply in service to Rotary. Simultaneously, the Academy's online, interactive and applied learning program is designed to align with students' busy professional schedules and lives.
