

Course: How Rotary Works and Arizona Rotary History: People and Events

RLA Student Assignments for Past District Governor Interviews

As a group you will interview two assigned Past District Governors and submit a brief email report on the lessons you learned. During the interview it is suggested that you discuss their goals, accomplishments, challenges, what made their year special and what single piece of advice most helped them prepare for their year in office. Be sure each Rotarian asks their questions.

Past District Governor Interview assignments

Group 1
