

Raising funds for Cancer Research

I joined Rotary to connect with the community and build business connections.

I found like-minded people that care about issues and take action to find solutions.

-Marg O'Neill

My experience with our club has been immensely valuable. I've made life-long friends and important connections that have helped me succeed in my business and benefit the community.

PEOPLE OF ACTION

Our largest and proudest effort to date is our work to eradicate polio. Rotary initiated the audacious polio eradication campaign in 1979, by vaccinating children in the Philippines. With the help of our partners, Rotary has since reduced polio cases worldwide by 99.9 percent.

To raise funds for this initiative, Altona City Rotary chartered a 240 seat Airbus to view the 1988 Bicentennial beacons.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education, literacy and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together.

GET INVOLVED

Becoming a member enables you to join and work with community leaders and to make an impact, both here and around the world.

We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

Just as Rotary helps you invest in your community, it gives you an opportunity to invest in yourself.

Continuous learning opportunities include:

- Networking and mentoring;
- Guest speakers;
- Public speaking;
- Project management;
- A broad range of workshops (often with members of other Rotary clubs);
- Conferences, and more.

-all aimed at helping you grow personally and professionally.
