

The Right Start Foundation is a Macarthur organisation committed to raising awareness about Down Syndrome and giving these children the best start in life. With early intervention they can achieve the highest goals and become assets to our communities. The Foundation has partnered with The Shine Shed, Campbelltown, to provide a unique monthly support group for parents and their children to get together to discuss issues and share problems and solutions

Little Wings is a non-profit organization that provides free, professional, and safe flight and ground transport services for seriously ill children in rural and regional NSW. They strive to ease the journey and help sick children access specialised medical services and treatments that are only available in major cities and towns. They support families by softening the financial burden, emotional strain and travel fatigue that children experience due to the long-distance travel associated with receiving vital medical treatment.

The Rotary Club of Camden

Since 1947 The Rotary Club of Camden has been serving our community raising much needed funds for local charities and community projects. Our motto of "Service Above Self" has ensured that there is not a community group, charity or local resident that has not been touched in some way by Camden Rotary and we are humbled by the support we receive.
