PRESIDENT'S REPORT

Dear Members and Friends,

This is my last report as President for this Rotary year. Sadly, it hasn't ended the way I had wished, but fortunately I was able to attend our wonderful 75th birthday celebration last week.

It has been an honour to be your President in this very special 75th Anniversary Year.

I am sorry that I missed our speaker this week, Deputy Principal Aaron Gardener from Yandelora School, who I have been told gave an excellent presentation about the 3D printer purchased through Club donations and a District Grant. It is great to see the District Grant going to such a worthwhile program.

Congratulations to Bulletin Editor Stephen Humphreys for our Club receiving the award for Best Bulletin at our District Changeover on Sunday.

Unfortunately, I will not be able to attend our Changeover on Monday. Stephen and I have worked on the program to ensure that it will be another great Changeover night for our club with a few surprises which I am sure will be well received.

I am looking forward to seeing you all at a meeting as soon as possible. Thank you to the Board of Directors and all members for your ongoing wonderful support and encouragement throughout my year as President of Camden Rotary Club.

I would like to wish President Elect Jo and the new Board another successful year for our Club.

Yours in Rotary, Judith

LAST WEEK

Our guest speaker last week was the very enthusiastic Deputy Principal at Yandelora School, Aaron Gardener. Aaron was introduced by Jacquie Lockyer and the vote of thanks was given by Gary Ireland.

Early in this Rotary year we were successful in receiving a District Grant which was combined with a donation from our Club to purchase a 3D Printer, an iPad and ancillary materials.

Aaron explained the 3D printing process and showed us some examples of the items that had been produced for use within the school. Aaron was super enthusiastic about the opportunities this printer gave to both Yandelora School and the students.

Another great example of Camden Rotary Club making a difference in our community and supporting our youth.

Many of the photographs taken at our 75th Anniversary Celebration are now available to view online with more available soon. Here is the link which was also sent to members in an email.
