

Dear Jane & Rotary Club

We hope this letter finds you well and in good spirits and health.

Your recent donation of \$1000 is greatly appreciated from us here at Frontlines and for that we want to say: **Thank you!** Thanks for being champion supporters of the mission of Frontlines during these unprecedented times we all continue to face.

It's because of folks like you that we're able to serve Children and Youth in the Weston Community. Your gift means more families will be able to receive hot meals and groceries as we support them during these uncertain times.

Over the past year because of the generosity of donors like you, despite all the challenges that came as a result of the lockdowns we have still been able to make strides forward as an organization.

- We moved down the road, occupying three new units that give room for a new office, child space, teen zone and culinary space/restaurant
- The Culinary Team serves 1400+ meals to the community each week
- We were able to continue providing programming for online education support

These highlights would not have been possible had it not been for the generosity, commitment and the support of partners like you. We are so excited to see what 2021 has in store for us and are so proud to have **you** as donors as we continue to work together in serving children, youth & their families in the Weston community.

Sincerely,

Stachen Frederick
