★ FIREWORKS WARNING ★

The Diamond Creek Rotary Town Fair fireworks display will start at 8.00pm, 12th September 2026 on Coventry Oval, Elizabeth Street, Diamond Creek.

Come and enjoy this spectacular event. It is one of the highlights of our community celebration and the magical finale of the Diamond Creek Rotary Town Fair. The food court, entertainment and carnival will be operating before and shortly after the fireworks so come along and enjoy a meal and some fun.

Please do not bring pets to this event

This display will take approximately 10-15 minutes to complete. Please take care to secure your pets so that they are not adversely affected by the noise generated. The RSPCA recommends, if possible, to bring your pets such as dogs, cats, birds, rabbits, guinea pigs, horses etc. inside for the duration of the fireworks. Put on moderately loud music or a TV to muffle loud outside noise to distract your pet. Close window coverings to reduce lightning or fireworks flashes. Further information can be found at the RSPCA website www.rspcavic.org

★ SECURITY AND SAFETY ★

Victoria Police will have officers in and around the fair all day and during the evening's activities. Rotarians will also be patrolling the fair through the day and evening.

We would like to thank the Diamond Creek Police for their close working relationship with the Town Fair Committee as we work together to make our fair a safe environment for all.

IN THE EVENT OF AN EMERGENCY EVACUATION

If an evacuation of the grounds is announced, please make your way to the designated areas. There are four Evacuation Marshals who will instruct you where you have to go and keep you informed of the situation. Emergency Assembly Areas are located at Nillumbik Reserve off Gipson Street (behind the pool) and the Netball courts and adjacent parkland. Refer to map.

★ FIRST AID ★

St John Ambulance will be on duty during the fair to provide immediate first aid attention. The ambulance will be located near the Rotary tent beside the traffic lights.

We love the diversity found in Australia. With this in mind, we invite all groups to come along and enjoy our vast range of crafts, activities, foods and entertainment from the different corners of the world.

The main purpose of the fair is for our community to have a great day out in our own back yard! The event is run for the benefit and enjoyment of the local community including families, friends, and businesses. It is also a valuable opportunity for community groups, such as schools, churches, sporting clubs to fundraise and to promote their activities.
