Sergeant's Spot

Terry

asked John Walters to carry the Box and again filled it at our expense

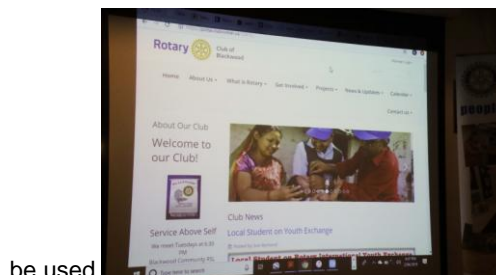

Guest Speaker

Ken started his presentation by saying that his objective was to give us an overview of the new Club website and an understanding of Club Runner which he and his team have designed for use by our Club.

Ken projected the new website on the screen.

Ken put up the format of Club Runner on the screen and comprehensively explained how it will

be used.

As he proceeded a number of questions were forthcoming and he fielded them all.

It became obvious how much time and IT knowhow has been put into making Club Runner operational for our Club.
