St Vincent de Paul Society
SA
good works

On Friday 17th December 2021 Mr Rod Cooper of Rotary, Mount Barker handed a cheque for $1,000 to member of St Vincent De Paul Society in Mount Barker Ms Margaret Inglis and the Vinnies shop manager Ms Narelle Brine.

This represents just one more generous donation to the Vinnies Christmas appeal in the Rotary club's on-going assistance over many years. This donation will be used to supply Christmas hampers and gifts to the families who are struggling due to the pandemic. With the loss of work or working hours the past two years have brought more stress to the community and it is only with this assistance are we able to keep up with Vinnies good works,

Thus the Society is ever grateful for Rotary's generosity.
