

March 2026 Edition

Dear Rotarians and Rotaractors from District 9510,

We are now into the month of the Multi District Summit in Horsham.

On the 6th of February, Priya and I accepted an invitation from the Rotary Club of Berri to attend their annual Riverland and Mallee vocational awards. It was an amazing event, the function room at Berri Hotel was filled to capacity. Members of parliament, mayors, councillors, business owners, apprentices and fellow Rotarians shared the warmth of success with several youngsters who have commenced their career journeys. The Rotary Club of Berri is the principal organiser of this prestigious annual event that recognizes excellence among apprentices, trainees, and students in the region. The awards with a history of more than 4 decades are designed to encourage young people starting their career paths and to thank the local businesses that support them. Special thanks to coordinator of this year's event, PDG Bruce Richardson – you are a champion Rotarian.

Rotary Club of Stirling member, PDG Dick Wilson invited me to be the guest speaker at his club. It was a pleasure to meet the members and guests of this 50+ years old club. The Rotary Club of Stirling is particularly active in the Adelaide Hills, focusing on a mix of local environmental restoration, youth support, and large-scale community events. A week after this, I was back in the hills again, this time meeting members of Rotary Club of Blakiston Nairne at the invitation of club President John Rowley. This club was chartered more than 40 years ago to serve the communities of Littlehampton, Blakiston, and Nairne in the Adelaide Hills.

Rotary Metropolitan Adelaide Clubs Community Group Dinner was organised by the Rotary community group 1 leader Heidi Unferdorben on the 24th of February. The dinner focused on the theme of "Building a safer future together," specifically addressing domestic, family, and sexual violence. The guest speakers were: Katrina Hildyard: Minister for Domestic, Family, and Sexual Violence, Stacey Nelan, a prominent South Australian survivor-advocate and a leading voice in the campaign against domestic, family, and sexual violence (DFSV), Rotarian Sally Willoughby and Rotarian Paul Della, the Chair of our district committee for campaigning against domestic and family violence. It was a well organised dinner with 100 Rotarians and guests from all the clubs in this group.

Our multi district summit in Horsham is shaping up very well, we have 12 exciting speakers confirmed and 23 participants in the showcase. It is just 14 days away, and the registrations close in 5 days on the 18th of March. Look forward to seeing many of you in Horsham. For those of you who have not yet registered, please register at <https://events.humanitix.com/multi-district-summit-2026>.

Priya's partner project fundraising event is on track with preparations well underway. It is a Graded Pairs (red masterpoint) bridge congress fund raiser, making it a day of fun and fellowship for a great cause to raise funds to end Polio. Non-bridge players can enjoy a mini bridge sampler session and try their hand at the game in a fun and interactive session. Registration details inside the classifieds.

Keep Uniting for Good while serving above self.

Kind regards

Rajeev Kamineni

District Governor 2025-26

Falls Among Older Adults: The Silent Daily Crisis

To help call for national action on falls prevention, the Rotary Falls Prevention Project has helped to form the recently launched Falls Prevention Alliance Australia. The Alliance has become a Partner in Service with Rotary South Pacific. In compliment with the Rotary Falls Prevention Project, the Alliance is calling on Rotarians and Rotaractors to become a member of the Alliance and join in its work. Use the QR code below to get more information on how you and your club can contribute.

Every 2.5 minutes an older person presents to an emergency department because of a fall

The science is clear – many falls are preventable. Just as campaigns for seatbelt use or sun safety have saved lives, simple, proven strategies can make a difference:

- Strength and balance exercises
- Safer home environments (good lighting, removing trip hazards)
- Community awareness and education

Experts believe that with the right investment, including a mass media campaign, a third of falls could be prevented within 12 months. That's a huge potential win for public health.

The Rotary South Pacific Falls Prevention Project has been developed in response to this.

The Project team are preparing a comprehensive toolkit to equip Rotary Clubs and community groups with resources to call for a mass media campaign and to share the falls prevention message in their communities. It will include:

- A dedicated website
- Educational videos and flyers
- Guest speakers for awareness campaigns
- Clear steps for local action

Stay tuned, the project will be shared with Clubs in 2026. For more information email RotaryFallsPrevention@gmail.com.

Bookings Now Open

For

DG Partner Priya's fundraising event for Rotary Foundation's End Polio Campaign

Key message: Everyone's voice and dollar matters in this critical final stretch.

Join us for an event to raise funds to eradicate Polio

Event details: **Sunday 31st May 2026**

- **Rotary Pairs Congress, 10am to 5pm (for bridge players), 10.00 am to 5.00 pm**
- **Mini bridge session (for non-bridge players, all ages welcome), 10.30am to 2.00pm**

Venue: South Australian Bridge Association, 243 Young St, Unley

Join us for a Graded Pairs (red masterpoint) bridge congress fund raiser, and make it a day of fun & fellowship for a great cause. Non-bridge players can enjoy a mini bridge sampler session and try your hand at the game in a fun and interactive session.

Cost: \$40 per person including a BBQ lunch and drink.

To register: <https://events.humanitix.com/rotary-pairs-dgpartnerprojectfundraiser>

We are still in a fight to reach every child with vaccines. Polio is a "zero-sum" game: as long as the virus exists anywhere, it remains a threat everywhere.

The Risk of Inaction: Experts estimate that if eradication efforts stopped today, the world could see a resurgence of up to 200,000 new cases annually within a decade.

A Borderless Threat: Because the virus is highly contagious and spreads through contaminated water or person-to-person contact, a single traveller can reintroduce the disease to a polio-free country.

One in 200 infections leads to irreversible paralysis. By vaccinating over 2.5 billion children, Rotary and its partners have prevented more than 20 million people from being paralysed. If successful, polio will become only the second human disease in history to be eradicated, following smallpox.

Every donation helps us obtain the support, transport, and materials needed in the fight against polio. Right now, every \$1 donated is matched 2:1 by the Bill & Melinda Gates Foundation, tripling your impact!

- If you participated last year, sign in at [footytips.com.au](#) OR
- If you're new, sign up at [footytips.com.au/comps/D9510](#) (password: Rotary) OR
- Send an email to footy@magillrotary.org.au for full instructions.
- We'll send you payment details when you sign up
- Get your club members, family & friends to join for the ultimate claim to fame

Recruit leaders for a Rotary Peace Fellowship

NOW OPEN

Applications for 2027-28 **Rotary Peace Fellowships** are now open and will be accepted until 15 May 2026.

This year, Rotary will award up to 170 funded fellowships for experienced peacebuilders to study at one of Rotary's eight university-based peace centres around the world.

Click here for the Peace Fellow [Application Form](#)

The Rotary Foundation partners with universities in England, Sweden, Japan, the United States and Queensland to offer master's degrees and with universities in Uganda, Türkiye, and India to provide professional development certificates in disciplines related to peace and development. The Rotary Foundation pays for tuition and fees, housing and meals, round-trip transportation, and internship and field-study expenses.

Clubs and members have the power to shape the next generation of peace leaders both by recruiting and recommending peace fellows, and by keeping them engaged during and after their fellowships.

Clubs and districts do not need to provide funding to recommend fellowship candidates. Since the Rotary Peace Centres program began in 2002, more than 1,800 fellows have graduated from our programs to serve as leaders in governments, humanitarian organisations, educational and research institutions, and international organisations such as the United Nations and the World Bank.

Members of your club can help by promoting Rotary Peace Fellowships to **qualified candidates**.

Invite suitable candidates to one of your club meetings and refer them to the District 9510 Peace Fellow Selection Committee, or contact Heidi Unferdorben at Rotary Adelaide at secretary@adelaiderotary.com.au

Global Grant Scholarships

To all Rotarians

Do you know of any post-graduate student who is looking to further their education at an overseas university?

Did you know that each year District 9510 supports at least one person through an application to The Rotary Foundation for a scholarship grant of up to \$US30,000 for study at an overseas university.

Prospective scholars should be planning to pursue a career in one of The Rotary Foundation's seven areas of focus, therefore, the prospective post graduate degree should reflect this.

Applications for study this year in August, September or August are now open and will need to be submitted by mid-May.

2026 Rotary Leadership Institute courses

REGISTRATIONS NOW OPEN

We, in District 9510 are invited to access the RLI courses offered virtually by District 9685, with the facilitators based in Sydney. Please consider taking up these excellent, cost effective learning opportunities.

RLI courses offer development opportunities for all Rotary members, newcomers to seasoned leaders seeking to refresh their skills to amplify their impact.

LEVEL ONE: RLI New Member Orientation Program

Supporting clubs to help orientate new members to Rotary, we are offering a 4-hour program which will help new members to begin to understand Rotary International with some hands-on tips on how to navigate the vastness that is Rotary.

Cost is only \$15

Level 1 Schedule

- ❖ via Zoom: Wednesday 25th AND Thursday 26th Feb 2026 6pm – 8.30pm
- ❖ via Zoom: Saturday 16th May 2026 9am – 1pm

LEVEL TWO: RLI Cornerstone Program

This program seeks to have Rotary clubs identify members with more than 12 months Rotary experience, who show potential for future club leadership (within their club and beyond, not just as future presidents) so they can be provided a quality education in Rotary knowledge and leadership skills, unique to voluntary organisations, and then apply them with confidence.

Cost: is only \$30 via Zoom (multiple sessions, 10 hrs in total)

Level 2 Schedule

- ❖ via Zoom: Sundays 8th & 15th March 2026 9am – 3pm

LEVEL THREE: Graduate Program

Experienced Rotarians taking their leadership to the next level with advanced knowledge. By bringing real opportunities to the workshop, participants can enhance their impact, through insights from the program and the peer coaching & mentoring from facilitators and fellow Rotary members.

Cost: only \$15 via Zoom (Standalone 6 Hour workshop format)

Level 3 Schedule

- ❖ via Zoom: Wed 22nd & Thurs 23rd April 2026 6pm – 9pm

These courses are delivered by a team of district 9685 facilitators with all support materials provided.

visit -<https://rotarydistrict9685.org.au/sitepage/rotary-leadership-institute> or connect with me.

Rotary Peace Education Series (ROPES)

26-28 June 2026

Delivered by the Rotary Peace Centre, School of Political Science and International Studies at The University of Queensland, St Lucia (Australia)

You are invited to join the inaugural Rotary Peace Education Series at The University of Queensland, from 26-28 June 2026. This three-day, in-person program is tailored for Rotarians, their families, friends, and staff interested in enhancing their understanding of conflict resolution and peacebuilding.

Led by experts from the Rotary Peace Centre and Rotary International, participants will explore current research on global conflicts, emerging peace challenges, and the role of gender and youth in these areas.

For more details, visit: [Rotary Peace Education Series | UQ Short Courses](#)

News

During Pakistan’s first national Polio vaccination campaign of 2026, an extraordinary workforce of 400,000 WHO-trained Polio workers went door-to-door across the country to reach 45 million children with lifesaving Polio vaccines. During the campaign, vaccinators climbed mountains in remote areas, determined to protect children across the country.

A science-based polio operation to fight a global threat

As a founding partner of the Global Polio Eradication Initiative (GPEI), WHO provides technical and operational assistance to Pakistan’s Polio Eradication Initiative, launched in 1994. In this role, WHO supports Pakistan and partners in leading key components of the largest Polio operation in the world. This includes science- and evidence-based vaccination campaigns, training and deployment of Polio workers, outbreak response, poliovirus surveillance and monitoring and evaluation of vaccination drives. In 2024–25, WHO Polio operations in Pakistan were supported by the generous contributions of Pakistan, United Arab Emirates, United Kingdom of Great Britain and Northern Ireland, France, Canada, Kingdom of Saudi Arabia, Germany, United States of America, the Gates Foundation and [Rotary International](#).

Shelterbags for the Homeless Sleeping Rough in South Australia

New Season Shelterbags Arriving Soon!

By the time you read this our new shipment of Shelterbags should have arrived in SA and will soon be ready for collection.

Additional stock available at \$100/bag.

An advance order for 100 Shelterbags has also been placed for delivery mid-2026, to boost our stock level.

Thank you to all our project partner clubs who have already paid in full for their current order.

Any feedback on the project from our partner clubs would be most welcome.

Has your community outreach organisation had any Shelterbags returned to them, and have they been able to reuse them?

If your club is interested in joining as a partner club, or to find out more – contact:

Jenny Leadbeater M. 0404 247 803 or Richard Tucker (Project Manager) M. 0429 339 879

Or use our new Shelterbag email address: shelterbags@gawlerlightrotary.org

The Central RAWCS Region now has a brand new Australians Against Malaria (ARAM) banner.

The Banner which is both colourful and effective, features a mother and child receiving rapid diagnostic testing from a health worker. Millions of cases of malaria have been averted. However, in 2024, there was an increase in the number of cases to 282 million and the number of deaths increased from 597,000 to 610,000, the majority in Africa (World Health Organization, 2025, Malaria Report).

The Banner features a QR code to efficiently donate to ARAM. This is important as underfunding presents a significant barrier to achieving the goal of elimination of malaria .

ARAM has a major role in the elimination of malaria in the South-west Pacific, for example, facilitating dialogue between West Timor and Timor Leste. Timor Leste has eliminated malaria but West Timor has not, every effort is being made to preserve achievements and to improve life for all. A program to apply high quality fly wire to the windows and doors of schools in Vanuatu is about to commence.

My garden has a lot of citrus and mint, which are known mosquito deterrents. You will also notice the rosemary bush. Rosemary oil makes an excellent mosquito repellent according to Pratiwi and Purwati (2021). There is no stagnant water.

Now that I have your attention, would your Rotary Club like a presentation on malaria and the role of ARAM? Mutually convenient times can be arranged.

**Help rewrite
a child's
future today**

In 2021, Ngawang's father faced every parent's worst nightmare. His seven-year-old daughter, Ngawang had been heating water with a rod heater when it slipped from her hands. She suffered severe burns to her chest and arm after accidentally spilling boiling water on her small body.

Over the next three years, Ngawang endured countless hospital visits, but what she desperately needed was specialist reconstructive surgery, that wasn't available in her small region of Bhutan.

The trauma of the event took a toll on the little girl's mental health, too. Ngawang withdrew from her friends and struggled to keep up with her schoolwork. She felt different from her friends.

Thankfully, an Interplast surgical team arrived in Bhutan and were able to assess Ngawang's injuries. They immediately scheduled her for surgery.

In Bhutan, when a child experiences a burns injury, it can be fatal. The rate of survival is significantly lower than that of a child in Australia. This is simply because they don't have the same medical resources and specialist care and that is why we need your help.

After her surgery, and some ongoing hand therapy Ngawang saw her mobility improve! She was able to rejoin her soccer team, and her family noticed her mood lift and her smile return.
