

Club Bulletin

3 and 17 December 2019
Meeting Numbers 1536 and 1537

ON BEHALF OF PRESIDENT KEVIN AND LYNETTE, CHRISTMAS WISHES ARE EXTENDED TO MEMBERS, PARTNERS, FAMILIES AND FRIENDS. ENJOY THE FESTIVE SEASON AND WE LOOK FORWARD TO SEEING YOU ALL AGAIN IN 2020.

Future Meetings

At our meeting on **Tuesday 3 December**, we will have as guest speaker, **Kavlya Kalyanasundaram**, who we assisted to attend a conference on paediatric surgery in Melbourne in June this year. Kavlya is a second year (probably third year now) medical student at the University of Adelaide with a long term ambition of becoming a paediatric surgeon after completing her initial medical studies. Kavlya spoke to us on 4 June this year and is pictured below with the cheque she received from us.

She will be keeping us up to date on her progress.

Future Meetings

Also on **3 December** will be our **Christmas Raffle Draw** handled by Community Service Director Wayne Leaves.

Wayne will require lots of assistance in preparing ticket butts for the draw and this will be at our shed on **Sunday 1 December from 9.30am**.

A couple of hours of your time will be much appreciated as this is a long tedious job.

Wayne will confirm this by email to all members.

Tuesday 17 December will be the **Club AGM** which was advised in the previous Bulletin.

The meeting will be conducted by President-elect Marianne and our President-elect nominee (President in 2021-2022) will be selected by club members together with the club board for 2020-2021.

Thank you Max for making yourself available as a candidate for President in 2021-2022

Also on 17 December, we will have as guest speaker, **Ashlee Leech** who was the sole successful candidate from Districts 9500 and 9520 to attend the **London International Youth Science Forum** this year.

We assisted Ashlee with a donation towards her expenses.

Past Meetings

At our meeting on Tuesday **5 November**, we had as Guest Speaker **DG Tim Klar and Bronwyn**. This meeting was held at the café at **Minda** because the Motel was booked for a Melbourne Cup function. Also present was **AG Kate Davies** who introduced Tim and Bronwyn to the meeting. DG Tim advised that currently District 9520 has 1200 Rotarians in 48 clubs and as of 1 July 2020, D9500 and D9520 will amalgamate into District 9510 with close to 100 clubs. Tim reminded us of the 5 core values of Rotary: Service, Fellowship, Diversity, Integrity and Leadership. Our RI President, Mark Maloney has set a number of aims for this Rotary year including:

- Grow Rotary
- Build paths for Leadership
- Build Rotary's Strategic and Enduring Plan with the United Nations

Tim reminded us of administrative changes which are coming and asked us all to be ready for these changes. Rotary online courses are available for members to become more familiar with technological changes which in the long term will benefit individual Rotarians. Tim concluded his presentation with a promotional video of the upcoming **District Conference in Mildura from 27 to 29 March 2020**.

Past Meetings

Also on Tuesday **5 November**, **Bronwyn Klar** spoke on her project for the year, **ShelterBox**. We have supported ShelterBox for many years as one of the prime International relief projects which always comes to the rescue when natural or man made disasters interrupt the lives of people around the world. I think it will be likely that we will purchase another ShelterBox again this year. Changes to ShelterBox contents include the addition of a large capacity solar powered light and an improved water purification "Thirst Aid" station.

On Tuesday **19 November**, we heard from **Bill Stupple** from the **SA Sea Rescue Squadron**. The Sea Rescue Squadron is a volunteer organisation based at West Beach with other bases at Wirrina, Edithburgh and Wallaroo. It was formed in 1960 as an organised search and rescue group to assist the police when persons were reported missing at sea. The SA Sea Rescue Squadron is a primary resource of the SA Police for water rescue and also works with the Coast Guard on similar occasions. Besides being a primary response group, the Sea Rescue Squadron monitors marine radio channels 24 hours per day, 7 days a week. They offer free marine radio checks to the public on 27MHz Channel 88 or VHF Channel 16. They encourage boats heading out to sea to log on when departing and logging off on return.

The squadron offers regular courses in Seamanship and Marine Radio to educate their boating public. The Seamanship qualification is accepted by the SA Department of Transport as sufficient to obtain a Boat Operator's Licence. Marine Radio Courses are offered in various categories and certificates of competence are issued on behalf of the Australian Maritime College. It is an offence to operate a marine radio without such a qualification.

Club Christmas Lunch

Members are advised that this year's Christmas Lunch for members and partners will be on **Sunday 22 December** at the home of **Lyn and Malcolm**, **9 Olive Street Glenelg** commencing at **12 noon**. Further details will be advised closer to the day but please make a note of this now.

Awards and Recognitions

During the visit of DG Tim Klar to our club on 5 November, he presented a **RI Presidential Citation** to **PP Bill Rawlins** from past RI President for our club's achievements during the 2018-2019 Rotary year.

PP Peter Thompson was also awarded a **Certificate of Appreciation** from the club for his work in managing the meeting programs, including obtaining guest speakers over many years.

Christmas Travel Raffle

The preparation for the draw of our Christmas Travel raffle will be at our shed on **Sunday morning 1 December**.

This involves the separation and folding of all sold ticket butts so that the draw can take place on Tuesday morning 3 December as scheduled.

This is a long and tedious job so the more people who can help, the quicker the job will be finished.

Consider giving an hour or two on Sunday morning from 9.30am. **Wayne will confirm all this by email.**

Fellowship Evening

Due thanks to PP Rosalien. Fellowship drinks, and Dinner afterwards if wanted, has been arranged at the Glenelg Surf Life Saving Club on **Friday evening 29 November** for members, partners and friends commencing at 6.00pm'

Please advise Rosalien now if you wish to go.

THE FOUR WAY TEST OF THE THINGS WE THINK, SAY OR DO

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and better FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?
