-  Bill Sim is to host a wine tasting evening in early June with special guest John Olsen. Details to be announced shortly.

Three Minute Talk:

Chris Rudd's talk was in a similar vane to last weeks as he spoke on some very strange laws in the USA and the UK.

Thought for the week:

From Ian - If you're going through hell, keep on going.

Speaker:

Bruce Collier gave a fascinating talk on his life experiences beginning with his formal education and leading on to the variety of different jobs he has had. His lessons learned are

- 1 Most jobs are not advertised
- 2 Its never to late to start again
- 3 Learn from everything you do
- 4 If you've hit rock bottom, the only way to go is up.

What did Philip do?
