

Here is to Connecting the District as we Connect the World!

*Rotary International President, Mark Maloney, Alabama, USA
District 6330 Governor, Tony Sheard
Club President, Allan Loiselle (2019-20)*

October 2019

District website: <https://rotary6330.org/>

Welcome to District 6330

Our District is truly international and connects Rotarians from north eastern Michigan along the shores of Lake Huron to west central Ontario, Canada with clubs located in rural areas and larger cities such as Flint, MI and London ON.

If you're ready to make a difference in your community and in communities around the world - Rotary is for you! You'll find Rotary members digging wells, building schools, immunizing children, organizing food drives, supporting literacy projects and many more..! We're building peace, empowering youth, and saving mothers and children. It's what we've been doing for more than 100 years and our impact on lives is amazing.

Check out our website and social media pages and you are welcome to any of our club meetings or events. We guarantee you a warm welcome and a rewarding experience.

Feel free to contact me to learn more about our exciting organization and how you may join us to make a difference in our world.

Tony Sheard
District Governor 2019-20

IMPORTANT ROTARY INFORMATION

2019-20 RI PRESIDENTIAL THEME

International President, 2018-19 – Mark Maloney RC of Decatur, Alabama, USA

October message 2019

Rotary's long-term, sustained battle against polio has defined our organization for decades. We have a right to be proud of all that we have accomplished through the years.

Our progress is real and noteworthy. In 1988, polio was endemic in 125 countries, with more than 350,000 new cases a year worldwide. Since then, Rotary and our Global Polio Eradication Initiative partners have reduced the incidence of polio by more than 99.9 percent, vaccinated more than 2.5 billion children against the virus, and prevented 18 million cases of paralysis. Over the years, Rotary has helped country after country move into the polio-free column. This includes India, which some considered impossible not long ago.

Of the three types of poliovirus, type 2 has been eradicated and type 3 could soon be certified as eradicated. Nigeria has not reported a case of wild poliovirus in nearly three years. If this trend holds, we will be down to just one type of wild poliovirus in only one section of the world, Afghanistan and Pakistan.

There are major challenges in that region. But it is crucial that we remain optimistic. Look at all that we have accomplished so far. This is no time to get discouraged or to think that the task is impossible. We will end polio forever, but only if we remain steadfast and vigilant.

World Polio Day is a time for Rotarians from all over the globe to come together, recognize the progress we have made in our fight against polio, and plan the action we must take to end polio forever. The key word is action, because we still have important work to do.

This year, we want to see as many Rotary clubs as possible holding World Polio Day events around the world. Need some ideas? How about organizing a viewing party for friends and club members to watch Rotary's Online Global Update? You could also dedicate a club meeting to World Polio Day or create a fundraising event. Remember, every dollar raised is matched 2-to-1 by the Bill & Melinda Gates Foundation.

Once you have created an event, register it at endpolio.org/register-your-event. Then promote it using the World Polio Day toolkit, available at endpolio.org/world-polio-day.

Mark your calendar to tune in to Rotary's World Polio Day Online Global Update on 24 October. This year we will stream our program on Facebook in multiple time zones around the world. Visit the Rotary International Facebook page to RSVP to your region's program. And do not forget to follow the event on social media and share it with your network.

When we reach our goal, polio will become only the second human disease eradicated on the planet, and Rotary will receive international acclaim. But what matters most is the children who will never again have to face this terrible, disabling virus. Rotary must continue to connect the world in the effort toward polio eradication. It is up to us. Let us finish the job.

Other Presidential messages for the 2019-20 year are posted at

ZONE 24/32 CONFERENCE IN NIAGARA FALLS – SEPTEMBER 21

Three of our 6330 Passport members were in Niagara Falls with other Rotary Leaders at the recent
ZONE 24/32 CONFERENCE.

- Sue Elliot played a double role as a 6330 Passport Club member and DGE Spouse.
- Dual Rotarian/Rotaractor Laurie Brown shared her Rotary passion.
- Dual Rotarian/Rotaractor District Rotaract Rep. Reid Eyre represented us on the "Growing Rotary - New and Innovative Clubs panel...as well as representing Rotaract.

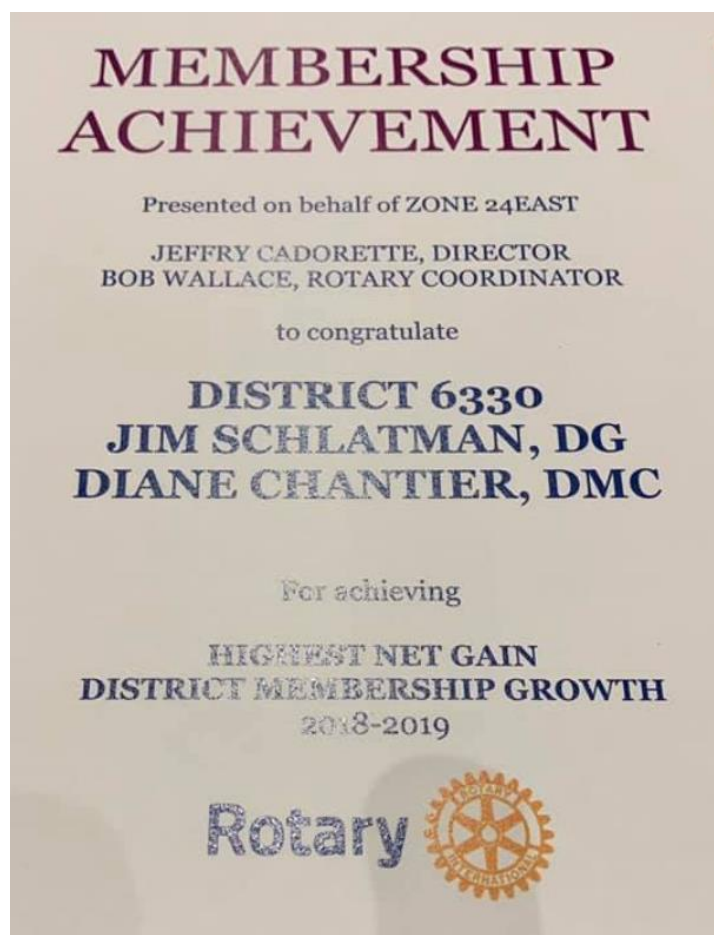

Congratulations to District 6330 and PDG Jim Schlatman!

District 6330 was recognized at the recent Zone Conference in Niagara Falls on September 21:

Highest Donations by District				
DISTRICT	DDF TO POLIOPLUS	CASH	TOTAL	DISTRICT GOVERNOR
D7070	\$50,000.00	\$202,339.00	\$252,339.00	Mary Lou Harrison
D7010	\$58,748.00	\$84,774.00	\$143,522.00	Susan Davidson
D7090	\$25,000.00	\$96,772.00	\$121,772.00	Melisa Schrock
D6330	\$18,571.00	\$96,772.00	\$121,433.00	Jim Schlatman
D7080	\$10,000.00	\$109,722.00	\$119,722.00	John Gilvesy
D7040	\$20,000.00	\$84,427.00	\$104,427.00	Martha Weaver
D7820	\$8,160.00	\$70,826.00	\$78,986.00	Rob Christie
D7810	\$8,640.00	\$60,549.00	\$69,789.00	Silvana Bosco
D7790	\$25,000.00	\$41,389.00	\$66,389.00	Marcel Noel

Highest Per Capita by District		
DISTRICT	PER CAPITA USD	DISTRICT GOVERNOR
D7070	\$128.60	Mary Lou Harrison
D7010	\$95.36	Susan Davidson
D7080	\$76.26	John Gilvesy
D6330	\$74.27	Jim Schlatman
D7810	\$64.12	Silvana Bosco
D7040	\$60.05	Martha Weaver
D7090	\$56.51	Melisa Schrock
D7820	\$52.03	Rob Christie
D7790	\$40.36	Marcel Noel

And the highest net gain in District Membership Growth! Congratulations!

ROTARY ACRONYMS

For those who struggle with the acronyms in Rotary, here are a few explained:

<i>DG</i>	<i>District Governor</i>
<i>DGE</i>	<i>District Governor-elect</i>
<i>DGN</i>	<i>District Governor Nominee</i>
<i>PDG</i>	<i>Past District Governor</i>
<i>RI</i>	<i>Rotary International</i>
<i>RIP</i>	<i>Rotary International President</i>
<i>PRIP</i>	<i>Past Rotary International President</i>
<i>RIPE</i>	<i>Rotary International President-elect</i>
<i>AG</i>	<i>Assistant Governor</i>
<i>PAG</i>	<i>Past Assistant Governor</i>

Our District 6330 Governing Team

At left below, DGE David Elliott, DG Tony Sheard, and our RIPE Holger Knaack and wife Susanne in Niagara Falls

*Add PDG Diane Chantler second from left **above right**.*

***Below left**, District 6330 Governor-elect David Elliott and Susan (member of our Passport Club) and District 5370 Governor-elect Jim Ferguson and his wife Jocelyne in Niagara Falls.*

Having some fun...

*And our stately District 6330 Governor Tony **at right below** showing off his 2020Vision!*

Rotary International Zone 24/32 is a four-country, two language, compilation of Rotarians in Bermuda, Canada, France, and United States.

A photo from the recent RLI study group in Lapeer, Michigan – September 21, 2019. You may recognize a few of our Passport members! There is so much one can learn about Rotary!

What is RLI?

ROTARY LEADERSHIP INSTITUTE

*The **Rotary** Leadership Institute (RLI) program is a series of fast-paced, interactive courses offered to refine a Rotarian's leadership skills and increase their base of knowledge in **Rotary**.¹*

*RLI has spread to over 350 districts in the **Rotary** world and has been translated into ten languages.*

Courses are fun, topical, interactive, and geared to busy business, professional and community leaders who want to be more effective leaders in their vocation and Rotary club, and more knowledgeable Rotarians.

Participants return to their clubs with enthusiasm, new contacts, fresh ideas, an increased understanding of their potential as Rotarians, and valuable skills impacting their potential leadership in the club.

RLI is an unofficial affiliate of Rotary International; it is not an official program of Rotary International nor under its control

[Click here to view a short video](#) created by Rotary District 5060 about their RLI. The excellent comments will resonate with all of our Passport members!

Plan to attend the next session of RLI available to our Passport Club members!

UPDATE ON POLIO ERADICATION

THIS WEEK

Polio this week as of 25 September 2019

Summary of new viruses:

- Afghanistan — one wild poliovirus type 1 (WPV1)- positive environmental sample
- Pakistan— four WPV1 cases and seven WPV1-positive environmental samples
- Nigeria— one circulating vaccine-derived poliovirus type 2 (cVDPV2)- positive case
- Angola— four cVDPV2 cases
- Myanmar— two cVDPV1 cases

As you can see below, the fight against polio continues again this month to be a very challenging exercise.

Wild poliovirus type 1 and Circulating vaccine-derived poliovirus cases

Total cases	Year-to-date 2019		Year-to-date 2018		Total in 2018	
	WPV	cVDPV	WPV	cVDPV	WPV	cVDPV
Globally	82	86	25	83	33	104
—In Endemic Countries	82	16	25	22	33	34
—In Non-Endemic Countries	0	70	0	61	0	70

POLIO ERADICATION IN AFGHANISTAN: HOW WOMEN HELP

Despite juggling several hats, women have greatly improved the quality and outcome of polio campaigns. Read their testimonials.

Afghanistan, an update...

In August –

- 3 cases of wild poliovirus were reported.
- 5.1 million children were vaccinated.
- Permanent Transit Teams (PTTs) vaccinated 1 579 581 children, and cross-border teams vaccinated 160 046 children against polio.

At the undergird of the polio programme in Afghanistan are women — polio officers, health workers, frontline workers, mothers, sisters, daughters, and grandmothers— some are anonymous, and some are on the frontlines.

But what is clear is that the polio programme is driven by women on a mission. The milestones achieved in the global fight against polio eradication are in large part due to the female work force. They are able to step beyond the threshold of countless homes, and effectively cross socio-cultural barriers.

At left: Dr Fariba, provincial polio officer, checking up on the polio vaccination activities. © WHO Afghanistan.

From field visits, to encouraging parents, vaccinating children to sitting in the Expert Review Committee, Afghan women put shoulder to the wheel in efforts to eradicate polio in Afghanistan.

NIGERIA THREE YEARS FREE FROM WILD POLIOVIRUS

A milestone in an ongoing journey to achieve global polio eradication

[Click here to read more about Nigeria's polio status.](#)

Philippines declares new polio outbreak after 19 years

MANILA, Philippines -- Philippine health officials declared a polio outbreak in the country on Thursday, nearly two decades after the World Health Organization declared it to be free of the highly contagious and potentially deadly disease.

[Click this link to read more.](#)

Statement from International PolioPlus Chair Michael K. McGovern

on circulating vaccine-derived poliovirus type 2 case in the Philippines

Through ongoing disease surveillance, the Global Polio Eradication Initiative has confirmed a circulating vaccine-derived poliovirus type 2 (cVDPV2) case in a three-year-old girl in the Philippines, along with a possible second case pending confirmation from the World Health Organization. No cases of wild poliovirus have been discovered, and the Philippines' polio-free status is not at risk.

We're saddened by this news and for the child, especially as Rotary approaches the 40-year anniversary of our first immunization project in the Philippines in 1979.

It is important to remember that cVDPVs are extremely rare and only occur in under-immunized communities. Vaccination coverage in the Philippines has been steadily declining over the past few years, and the case reported recently underscores how crucial it is to increase vaccination coverage to at least 95% of children to stop future spread of polio.

Rotary and our partners are working with counterparts and public health authorities in the Philippines to strengthen surveillance and support immunization responses in the coming weeks and months.

Rotary has a broad and active network in the Philippines—a network that has the power to raise awareness about the importance of improving immunization rates and making sure every single child is protected against polio. On Friday, 20 September, the 10 District Governors in the Philippines signed a Memorandum of Understanding with the Department of Health to work together to ensure the success of the upcoming polio immunization campaigns.

We appreciate the leadership and commitment of Rotarians in the Philippines to protect all children from polio in the country where Rotary held the inaugural polio immunization campaign.

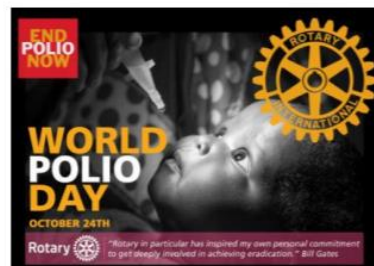

For more information and a video on vaccine-derived polioviruses, please visit this link below:

Mike McGovern, International PolioPlus Committee Chair
<http://polioeradication.org/.../vaccine-derived-polio-viruses/>

UPDATE FROM WASRAG

Water and Sanitation Rotary Action Group

World Polio Day Competition – Your Club could win \$500 for its WASH Projects!

What is World Polio Day?

World Polio Day is celebrated on October 24 every year. World Polio Day was established by Rotary International to commemorate the birth of Jonas Salk, who led the first team to develop a vaccine against poliomyelitis. Use of this inactivated poliovirus vaccine and subsequent widespread use of the oral poliovirus vaccine, developed by Albert Sabin, led to the establishment of the Global Polio Eradication Initiative.

Polio is a disease caused by a virus that affects the nervous system and is mainly spread by person-to-person contact. Polio can also be spread by drinking water or eating raw or undercooked food that is contaminated with the feces of an infected person.

What must you do?

Whatever works best for your community, the choice is yours! All we ask is that the project improve the quality of water and/or level of awareness of it in **YOUR** community. You could, for example:

- Clean up debris along a waterway, lake, creek, pond, stream, or other water source.
- Prevent erosion by planting trees and native plants along a water source.
- Build awareness in your community - encourage students to write essays on the importance of water and what THEY can do to protect it.
- Encourage farmers in your area to use eco-friendly chemicals that will not damage fragile water systems.
- If your community's water source is safe, eliminate plastic water bottles. If they are a necessity ensure they are collected and recycled appropriately.

Use your imagination! The bottom line is to educate your community on the importance of protecting its water sources. Get them involved!

And submit the story to the RI Website (<https://www.rotary.org/en>) so we can share it with the world.

[Click here to read more.](#)

Considering a new approach to Rotary

Service Through Self: A New Approach to Rotary

Article follows on the next page.

In my short time with Rotary, I have been described by members of the Rotary Family as: provocative, a sh*t disturber, a bull in a china shop, and my personal favourite: a hurricane in heels. Still, I was recently invited to serve on a panel at a Zone Conference regarding new club development.

Through this panel, I shared an idea that to me doesn't seem radical. But in discussion with attendees afterwards became apparent that it was something that had never been considered before. The idea that the old faithful "Service Above Self" motto might better serve us if approached from the angle "Service *Through* Self".

Most passionate Rotarians can probably think of a time when they were so dedicated to a project, so committed to a cause, that they put the service to the organization above their own needs, perhaps to a point where they felt burnt out. Those who can't think of such a time may have actually reached it but instead suppressed those feelings, which eventually lead to disinterest, a lack of motivation and dedication- and perhaps eventually their ultimate departure from Rotary.

While the dedication of these members is admirable, it is also detrimental. These departed members are now not only missing from the organization, but they will not feel, and therefore not speak, positively of Rotary to anyone who asks- creating with it a public image issue and reducing the number of individuals who may want to join. All this, because they have been told time and time again to put the service above themselves.

I would go so far as to speculate that if we were to poll former Rotary Family members and ask them why they made the decision to leave- speaking honestly, many of them would cite "burnout" as a reason. If this were true, it would suggest that we are losing our most dedicated members to something that for years has been at our very core- our dedication to service. I do not need to explain why this is something that is ultimately a *disservice* not only to Rotary, but to humanity as a whole.

In Rotary, we like to look at things through rose-coloured glasses, to focus on the positives of the organization rather than our opportunities. But the trouble with that, is that when looking at the world through rose-coloured glasses, red flags simply look like flags; they lose their ability to warn us of areas of concern. While we definitely should take the time to celebrate and commemorate the things we have accomplished, we must also take off the glasses from time-to-time to see where we can improve- and this is one of those instances.

Being a part of the Rotary Family is dedicating yourself to the service of humanity, but aren't we just as much a part of humanity as anyone else? Can we not serve our own needs, whether they be personal, professional, or the needs of our very soul- while still serving others? Can we not grow ourselves *and* grow Rotary at the same time? Whether it is developing our networks, making new friends, gaining new skills, or so far as to give ourselves a sense of purpose or accomplishment, Rotary can serve us as we serve the world.

I am sure that in many cases it already does, but with the constant reminder of "service above self" is probably just as or more frequently steering clubs, districts, and beyond to not focus on that element; to measure themselves only in community and global service, only in foundation contributions - but we could be so much more. This idea, this approach, will not only attract new members to the Rotary Family - it will keep the best ones we already have. How's that for growing Rotary?

"Service Through Self" is a change to our very core - but perhaps it is the very change we need to turn this old ship in a more fruitful direction, revitalizing the organization as we have never seen before.

Perhaps, it is exactly what we need and exactly the time to do it.

Service Through Self: Grow You, Grow Rotary, Grow Humanity

We are very excited to share that our very own District Rotaract Representative [Reid William Eyre](#) has been selected to be a part of a select group of Rotaractors from around the world to attend [Rotary International's](#) International Assembly in 2020!

Reid will participate with District Governors-Elect in talking about

- new ways to collaborate with Rotary members and
- strategies for leading their fellow Rotaractors.

Congratulations, Reid!

An official welcome of our new member!

A reminder!

ROTARY FRIENDSHIP EXCHANGE TRIP TO SOUTH AFRICA MARSHA KALAKAY

Greetings Fellow Rotarians!

Marsha Kalakay

Our Rotary Friendship Exchange trip to South Africa will be here before you know it.

During our trip, we will visit and stay with Rotarians of District 9400. They will teach us of their culture and introduce us to the successes and challenges of their communities.

Although our itinerary is not yet complete, I do know that we are scheduled to visit the children's ward of an area hospital and an early childhood center. We are collecting needed items for both locations. I will be packing an extra suitcase to take and leave for the children that we visit.

We have been asked to bring with us *lightweight infant sleepers* and *receiving blankets, clothing for small children and educational toys*. The clothing and blankets can be new or gently used. *I am also in need of a lightweight suitcase that I can leave behind.*

If you or anyone you know have items to donate, it would be much appreciated.

We can have a Hub meeting and I can collect the items from you! :)

Thank you in advance for your help!!

YIR

Marsha

Martin Shaw & Mary Ruston – see poster next page!

And another reminder of the Baby Shower this month – *related opportunity* organized by Mary Ruston and Martin Shaw.

See next page:

Join us

Sunday, Oct.20.2019 33 Oakwood Links Lane, Grand Bend

Drop in Times 1PM -4PM

Baby Shower for South Africa

The District 6330 Friendship Exchange Group will be visiting District 9400 in South Africa

South African Friendship Exchange District 6330 Nov.14-Nov.30

We will be visiting an area hospital and educational centre supported by the local Rotary Clubs.

Moms and Babes are in need of lightweight infant sleepers(birth to 1 year), receiving blankets and lightweight educational toys (puppets, cloth books, etc.)

Gently used, clean outfits are more than welcome.

*Please drop by our home for beverages,
goodies and a visit, to donate your items.*

We each will fill our second suitcase and leave it behind for those in need.

The excess baby and toy items will be shipped with the next GB Container destined for SA

(so there will never be too many items)

Thank you for your support!

Hope to see you here! - Sunday, Oct.20/19

Mary Ruston (Rotary District 6330 Passport Club) and Martin Ward PDG (Grand Bend Rotary)

Watford's Annual Rotary Fish-fry

6330 Passport members Jessica (centre) and Mariann (right) were spotted supporting the Rotary Club of Watford's Annual Fish-fry in September.

Our dual Rotary/Rotaract member, Kurtis was spotted at the Rotaract Fish-Fry at Purdy's Fisheries in Point Edward in early September.

A message from 6330 Passport member [Lynn Coates](#)

Greetings from sunny Barcelona Spain!! On our post-tour after the 2019 Europe Eastern Mediterranean Africa Conference (EMMA 2019), we had the honour of being invited to the Rotary Club of Barcelona meeting.

This is me at left with their Club president.

On Thursday, September 12, I attended an East Coast Kitchen Party (ECKP) Task Force meeting as the Passport Club's representative at the home of Kathleen Murphy, Area 4 Assistant Governor, here in London.

In attendance were the clubs that have been invited to take part in this fund raiser organized by the London Club: Those clubs are:

- London Lambeth
- London Hyde Park
- London South
- London East
- London North
- St. Thomas
- London Club (includes Satellite Club)
- Passport Club

Here is a brief review for anyone who was not involved or attended the Fund Raiser last year.

The London Club organized the ***East Coast Kitchen Party*** (this will be Year 3) for their major fund-raiser event and invited clubs to help out and share in the profits as follows:

- All Clubs Silent and Live Auction proceeds are given to that club. We raised \$5,193.00
- Sales from Games. The fish pond, shrimp and oysters, kiss the cod – again shared by the clubs. Our share was \$400.72
- The ticket sales as a rule cover the expenses. Any left-over is divided up amongst the clubs by number of tickets they sold.

Tanya worked on Auction Items and getting the word out for ticket sales. I was on the committee, assisting other committee heads - on seating chart, picking up props, printing, and greeting the night of the event. \\

We also had volunteers from our Passport club on the floor that evening - Sorry do not have the names right now.

On the next page are the fund-raising results:

FUNDRAISING RESULTS FROM EAST COAST KITCHEN PARTY

London Club	\$24 0001.12
London South	\$7,488.37
Passport Club	\$5,593.72 (not bad for our first year!)

Cycling without Age

In early September, 6330 Passport was out with the “Cycling Without Age” trishaw. Our four riders today had a combined age of over 250 years.

We were honoured to help them all get out and about.

FACTS AND FIGURES

Source: *Cycling Without Age*

- *Invented in 2012 in Copenhagen*
- *Represented in 42 countries worldwide*
- *1,643 chapter locations*
- *29,270 trained cycle pilots*
- *114,000 people served*
- *Oldest pilot is 90 (Jørgen Hass, Denmark)*
- *Oldest passenger 107 (Madam Yeo Iu, Singapore)*

District Conference 2020

Mark the date! Conference Registration opens in January 2020!

SURVEY - The **50th anniversary** of Rotary Youth Exchange in District 6330 is taking place in **2021**. Please complete our survey to assist in our planning for the event. [Click this link](#).

Why Passport clubs work

Gold Coast Passport Rotary Club of District 9640 at Karma Collab Hub in June.

By Jayde Purnell, Gold Coast Passport Rotary Club, District 9640 (Australia)

A passport Rotary club is designed to attract a diverse demographic, and from my perspective, it's working. On the last Tuesday of each month, I merrily waltz my way into Karma Collab Hub for an evening of wine, cheese, laughter and community impact; all in the company of great friends and with the guidance of Rotary members from local clubs. It's unlike any community I've ever experienced, and I've come to realise that my Rotary badge is consistently (and quite unintentionally) accompanied by a wide grin.

Building our Future Together!

Have you considered taking your talent and skills and utilizing them in a role beyond your Club. We are looking for Rotarians who are interested in future roles at the District Level or beyond. What about chairing a District Committee, being part of the AG team, Support Membership, promoting our Rotary Foundation or being a Champion for the Eradication of Polio. ***We want you!***

During this year we would like to hold some informal information sessions around the District to help answer your questions, assist you with your future plans and help us plan for the future Leadership in our District.

Please contact PDG Diane Chantler at dianechantler@hotmail.com to express your area of interest and your Club name.

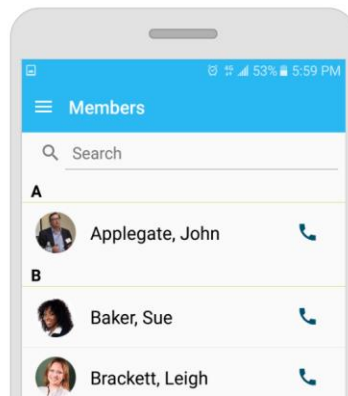

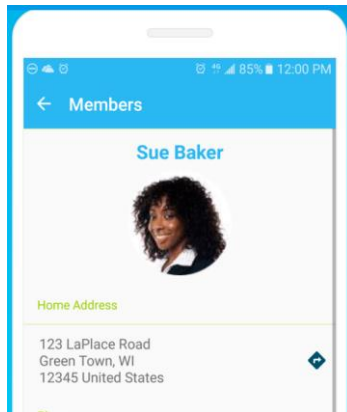

We will contact you as we schedule our information sessions.

Let's build our future Together!

A reminder about the ClubRunner App!

With the ClubRunner app, you can instantly connect with your club members:

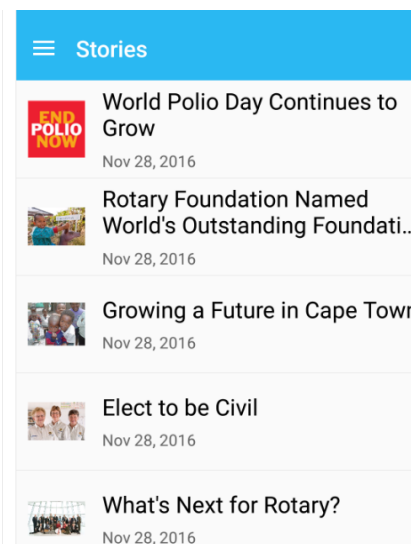

The ClubRunner Mobile App is your key to connect to your club and district on the go!

Completely, free to download and use, this app will let you access the key info you need while you're on the go. Password protected just like your website, the ClubRunner Mobile app allows you to view your member directory, contact your members and executives, read the latest articles posted to your website, learn more about your upcoming events and speakers, view your meeting details and track your attendance statistics, right from your smartphone or tablet!

You can see upcoming events, view stories on the website, and much more!

Make Rotary fit your life!

For your consideration -

You don't have to be great to start, but you do have to start to be great.

...Zig Ziglar
