1st December 2016

SUPPORT ALL OUR ROTARIANS FOR THE MOUNTAINS AND MARATHONS CHALLENGE

Fellow Rotarians!

The final event of the MM4HH Challenge, the Cayman Islands Marathon, is right around the corner and we need your support.

What is needed?

Relay teams made up of 4 runners. We are trying to organize as many teams as possible with each member committing to raise CID 500. You can run, jog, walk whatever. If you're running the half or full marathon you can still put a team together and be the first leg of the relay. This is open to everyone...Rotarians, friends, families, co-workers and we hope to get 10 teams. I have heard from a few of you but I know there are more. Please let me know if you can support.

YIR,
Director Tim

The Rotary Club of Grand Cayman received its charter on January 28th, 1966, having been sponsored by the Rotary Club of Boston, the seventh oldest club.

The club is part of District 7020, which now encompasses 84 clubs and is part of Zone 34. The Club has sponsored the Rotary Club of Cayman Brac, Grand Cayman Central and the Sunrise Club and has provided 4 District Governors. Major projects have included the construction of the Bonaventure Boys Home and the Frances Bodden Girls Home whilst major annual events organised by the club include the Rotary Auction, the Mardi Gras Tournament, Senior Citizens Party and the Christmas Tree Lighting. In addition, the Club has provided fetal monitors and kidney dialysis machines, a learning booth and 2 mobile dental units. Other projects undertaken by the Club have been the Meals on Wheels programme, painting the Pines retirement home; donating an incubator to the hospital; raising funds for the RI PolioPlus Programme and sponsoring many programs on island including CCMI education programs. The club prides itself on its international work including an annual trip to Guatemala supporting the literacy program. In all, the Club has raised and donated almost three million dollars.

The Club's International and District achievements have included its contribution to the Rotary Foundation, as evidenced by this Club having the largest number of Paul Harris Fellows of any club in the 7020 District and the many District awards and citations which the Club has been presented with over the years.

With over 100 members, the membership of the Club is a fair representation of the business community in Cayman with members ranging in age from their 20's to their 80's.

Hello Fellow Rotarians,

We are so excited to be organizing a Rotary Christmas Giving Family Fun event for the Lighthouse School, NCVO and Frances Bodden Home residents at the Dart Park, South Sound, Saturday December 10, 2016 at 10:00am to 12:00pm. Attached is a flyer for more information.

Again we are need of your Rotary Spirit: We are asking each Rotarian to bring a gift for a student on Thursday, December 8 valuing \$25 or more and we will store the gifts. We are still awaiting a list of the name of students and gift ideas from the school and will forward this information asap.

Finally, we will need assistance the day of the event with set up/break down, greeting and socializing with the Lighthouse School Family, NCVO residents and the Frances Bodden Home residents.

YIR,

Gina

Interact Club Elects President and Board Members

The youth movement called the Interact Club of Grand Cayman is taking form as this past weekend club members elected their President and Board of Directors. The Interact Club of Grand Cayman is a new youth club sponsored by the Rotary Club of Grand Cayman. As one of Rotary’s youth initiatives this year, the launch of the Interact club is just a start to this sustainable youth program that is community based and encourages youth from all over Grand Cayman to join. Teens who are service minded and have a keen interest to improve their leadership skills while making new friends and having fun will find this club a perfect fit.

The first Interact Club meeting was launched on October 15 and from that time until now the club has been working on building their membership numbers, team building activities, brainstorming community service ideas, strengthening their public speaking skills and making friendships. The club meets twice per month for meetings and enjoys one social event per month.

With over 40 registered club members this group of young adults, age 14 to 18 years, have some great ideas and enthusiasm for service. This was demonstrated by the strong turn out of 20 members at the Christmas Tree setup event last month. Without their help the set up would have taken much longer. There will be many more joint service events coming in the next few weeks and you are sure to see some familiar faces joining forces with Rotarians to help with these community service endeavours.

Contact Rotarian Gina for more details about becoming a Rotarian Advisor and helping to mentor our next generation of leaders. Visit www.ICGC.ky, and on social media Facebook @ICGCky and Instagram @ICGC_345 for more information about the club.

THE ROTARY FOUNDATION

Congratulations District 7020 Rotarians, I am extremely proud of how we have shown support of the 100th anniversary of Rotary's Foundation. 197 Rotarians from District 7020 have registered for the 2017 Atlanta convention so far, and others have been delaying their registration for one reason or another. Lets make it 250 members registered before the rate goes up on December 16. The current registration rate is \$340 per person, and this increases on December 16 to \$415 per person. Atlanta is a wonderful city, with many attractions within walking distance of the Convention sitethink Fox Theatre (Gone with the Wind), the Atlanta Aquarium, the Coca Cola Building and not to be left out is PRID Robert Hall's alma mater, Georgia Tech. Don't delay, register now...the hotels are filling up very quickly. Looking forward to seeing you there
