

## **ROTARY EDUCATION AWARDS COVID-19 RESPONSE**

Due to the COVID-19 situation, and the interruption of the school year until the end of May, the Rotary Education Awards applications deadline is now delayed until June 15, 2020. Given the evolving situation, and potential further delays in the school year, we will continue to keep everyone informed.

Students should explore the new Education Awards portal to submit their applications online. There is over \$300,000 of education awards for graduating Oakville high school students, available from various organizations, including over \$60,000 from Oakville Rotary, by accessing the new Awards Hub at awards portal on the Oakville Community Foundation web site at [awardshub.ca](http://awardshub.ca), including FAQ at <https://www.theocf.org/wp2019/wp-content/uploads/2020/01/CEAH-FAQ-Web-2.pdf> to answer any questions.
