

# Rotary International

Rotary International is a global service organization made up of 35,000 clubs around the world with more than 1.2 million members. Rotarians are business and professional leaders, problem-solvers, friends and neighbors united in creating lasting change -- across the globe and in our local communities.

We believe in a shared responsibility to take action on our world's most persistent issues. Through service projects and donations Rotary clubs:

- ❖ promote peace,
- ❖ fight disease,
- ❖ provide clean water, sanitation, and hygiene,
- ❖ save mothers and children,
- ❖ support education, and
- ❖ grow local economies.

*Sponsored by Rotary International, Polio Plus is a worldwide initiative to eliminate polio.*

# The Minneapolis University Rotary Club

Members of Minneapolis University Rotary represent diverse backgrounds, countries, races and religions. We share a passion for social justice and service.

We are involved with projects in the Twin Cities that foster literacy and education, provide scholarships, and support many other community activities.

Minneapolis University also carries out international projects that promote health and education. We have had projects in India, Rwanda, Chile, Mexico, and the Palestinian Territories.

INTERNATIONAL

**THE FOUR-WAY TEST**  
of the things we think, say or do

- I. Is it the TRUTH?
- II. Is it FAIR to all concerned?
- III. Will it build GOODWILL & BETTER FRIENDSHIPS?
- IV. Will it be BENEFICIAL to all concerned?

Our various projects connect us to the world and uphold the ideals of service represented by the Rotary 4-way test of truth, fairness, benefits, and goodwill.

As members of Rotary, we have fun, make new friends, and give back to our community in ways large and small. Our lives are made better as we help improve others' lives.

# Minneapolis University Rotary in Action

Recent projects of the Minneapolis University Rotary include a literacy program at Seward Montessori School in Minneapolis and cataract surgery and audiology programs in San Felipe, Mexico. All our projects address identified needs, build relationships, and make a difference in people's lives. We live the Rotary motto "Service Above Self".
