A Message from the Pres

Hi Everyone

This week the board got together on Zoom and reports are attached. As you will see lots happening as we seem to be racing towards the end of this year.

Aileen is working with the Environment Team at present and sharing her knowledge of making bee houses. The team are waiting for the COGG Grant to be approved. Still saving many lids from landfill but also collecting lids for Precious Plastic, (unusually colours). Aileen is not able to take the foil tablet sleeves anymore, she suggests taking them to the community chemists as they are collecting for recycling.

With the help of Ian, as he lives in Bannockburn, Andrea now has 5 schools on our Quiet Achiever list with 2 Bannockburn schools joining our list for the next school term in 2023. We as a club are looking at Bannockburn for membership purposes, and this is a nice way to meet the community.

Well done guys.

Last month, it was decided to add a flyer in a plastic frame to our Bunnings BBQ tables, asking for Volunteers, maybe you have noticed it. This week a nice young man said to me "One with onion and sign me up for that" pointing to the frame standing on the table. His name is Matt so maybe he might be part of your team on December 2nd. It's amazing what happens when you ask for help.

Dan has been busy contacting Ariston House and COGG for their Christmas Parties this year, getting things organized, as well as the Bunnings BBQ. Thank you to all our volunteers that gave their time on the 4th To members that joined me on the morning team, Brian Burch & Susan Paulley, and friend of the club David White, and the afternoon team with Aileen Brown and Dan, plus Mark and PP Corio Bay RC, Deb Furlan, your help was very much appreciated. And it seems when the sun shines people go to Bunnings for a sausage in bread. as this week very successful day raised \$1456.42. Well done to everyone.

Judy Beasley enjoyed a Rotary Foundation luncheon at Jack Rabbit Winery with Past RI President Ian Riseley OAM, and RI Director Zone 8, Dr Jessie Harman, last week, as November is Foundation Month Judy reported it was a very interesting day plus, she would like to remind everyone about the importance of the Centurion program

Telsa has been busy with our annual school awards to enhance encourage & reward student literacy skills in Secondary Schools. She reported that staff have been very appreciative. Also, Telsa and the Days for Girls team had their regular workshop and have another 200 packs ready to send.

Ian is busy in many areas, as always. He is inserting single paragraph in the Bannockburn community newspaper about Rotary, and if you can help him with a few ideas, he would appreciate it. Please remember any war memorabilia or stories you might have for our meeting on Tuesday. I understand Peter K is organised.

Stay Happy & Well, cheers Jo

Dates for your Diary November

Please check the meeting roster to see if your name appears

8th

LET'S REMEMBER REMEMBRANCE DAY

6.45 Mix & Mingle – meeting starts at 7.30

Conference 2022 NZ

6.45 Mix & Mingle – meeting starts at 7.30

Naval Association
Skene St Newtown

Next Bunnings BBQ

Friday November 4th

Friday December 2nd

This month is **FOUNDATION MONTH**
What is foundation?

The **Rotary Foundation** is a **non-profit** corporation that supports the efforts of **Rotary International** to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions.

The foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of US\$26.50 to more than US\$1billion. It has one of the largest and most prestigious international fellowship programs in the world.

When we ask that question, what can I do to make a difference?

When you donate to our Centurion program of \$100 in a year, it makes a difference in so many ways, and its just for the price of a few cup of coffee, well actually, its about 20.

How about this for our next fundraiser

We do have a contact for a fire truck.

It's quite amazing what Rotarians will do

United States

Four Rotary clubs in Florida flexed their muscles with a fire truck pull to raise more than **\$15,000** to refurbish the entrance of an assisted living facility. Sixteen teams competed to be the fastest to tug the 17-ton truck 50 feet across the parking lot of a sponsoring

brewpub. Led by the Rotary Club of Mid-Bay Bridge (Choctawhatchee Bay), the April event drew about 400 people. Joining the effort were the Rotary clubs of Destin, Fort Walton Beach, and Niceville-Valparaiso, which sponsored the winning team of Niceville High School football players. Members of two Knights of Columbus chapters and the Boggy Sisters, a senior support group, assisted the Rotarians. Community partnerships "lightened the load and made the event possible," says Steve Wolfrom, immediate past president of the Mid-Bay Bridge club.
