A Message from the Pres.

Hi everyone

We've had a great couple of days up here in sunny Sydney. Hope you're all well back home.

Thank you everyone who was able to be at the Navy Club for our club's important meeting last Tuesday night. Thanks everyone for your input. A very special thank you to Presidents Elect Aileen Brown (July-December), PE Rick Berry (January-March), and PP Dan Furlan (April-June). Thank you to Telsa for agreeing to continue her role as Secretary with the help of Andrea Patterson. Peter Hynes generously volunteered his services to take over Treasurer for the coming year from Shirley Marendaz. I think we all left the meeting feeling thankful that we were able to fill all the roles to allow Bayside to continue on serving our community projects.

We were very excited on Tuesday night to interview our prospective Rotary International Exchange student for 2025. Mietta Corby and her parents seem lovely people. Mietta had submitted her application online before we finished our club meeting on Tuesday night! We look forward to continuing the process in the coming weeks and months. Thanks to all involved in the interviews. Thanks to Jo White and Judy Beasley for attending 2 important meetings on Friday night in my absence, I look forward to hearing about them at our Board Meeting on Tuesday night.

Sounds like it was a hot day at the Bunnings BBQ on Friday. I really appreciate everyone's efforts in getting, especially Dan for completing trailer towing duties in my absence. Well done David Patterson for volunteering to cook in the afternoon, and everyone else for their time.

As you all know we will do it all again next Saturday, one of those extra BBQs that Bunnings compensated us for. Hope to see you all there, please put your name down on the Club Runner roster if you're free.

All the best to Jo for Tuesday, Brian Burch for his upcoming surgery, and wishing Telsa well in her continuing recovery.

A reminder for everyone to please log on to the Torquay RC meeting on Monday night via the link that Jo has sent out. It should be a very interesting talk from David Abbey about the Royce and Jean Abbey Scholarship/Award.

Thanks everyone. See the Board on Tuesday night and others at the BBQ on Saturday.

Ian

FUNDRAISING TEAM – DARYLL

Fridays Bunnings BBQ, we had a warm day with many laughs as always.

Thank you to Judy Eyles, Dan Furlan, Aileen Brown, Peter Hynes, Judy Beasley, Daryll Webb plus Andrea and David Patterson
Putting in the hours to make a difference.

Plus Daryll has been very busy giving support to the people that have been affected by the terrible fires in Victoria.

Spending time with families that have been evacuated to the Ballarat area giving counselling where needed or just a friendly face in a time of need.

PRESIDENT IAN

Was a Guest speaker recently at the Kardinia Rotary Club, speaking about his Volunteer Award he received in January. Ian was recognised for the work he does with the Amber Community that offer counselling to anyone involved with road trauma. Plus running programs for offenders

In April we will be holding a Mock Offenders Program for members and friends to experience one of these programs, that Ian admits sometimes he can be in quite a scary situation, with a very “different” type of person.

Rotary has become the vehicle to reach many with his passion of saving lives on our roads. Well done, Ian.
