ROTARY'S NEW THEME FOR 20/21

Rotary, providing us with the opportunity to make a difference

A Message from the Pres

Last Saturday was our third, New Member Coffee Catchup day.

Narana was the place of choice this time, and more resent members, Rick Berry, Shirley Marendaz, Andrea Patterson & Ian Aranyosi joined me for coffee and cake, *(although the cake was a little disappointing)*. Unfortunately, Aileen Brown was unable to join us.

We were also very happy to have DGP Judy join us as well. During our conversation Judy was asked, why did she join the Rotary Club of Bayside. Judy went on to explain why.

Geelong Central Rotary Club, DG Philips club, supplied funds and labour for a twofold project. To build a class room in 2006 and follow up, with a dormitory to house teachers and students in 2007, in Garrthalala, a remote indigenous community, three hours' drive from Nhulumbuy in Arnhem Land. This project was also supported by the RC of Nhulumbuy. Judy went along with DG Philip, and was in charge of feeding the workers. She says, it was a fabulous experience. While there she met Janette Anderson a member of Bayside. A super club was good timing for Judy because of work commitments, and, as they say, the rest is history.

Judy also explained about District 9780, 2007 Friendship Exchange, a 12day trip to Thailand that she went on with Phillip. Comprising of six Rotarians and three partners from 5 different clubs. Judy remembers being treated like Royalty. Earlier that year, Judy said they were lucky to be able to host Rotarians from Thailand when they visited Geelong for 3 days.

Hence the name, Friendship Exchange. Thank you so much Judy for joining us for coffee. It was so interesting hearing about your Rotary experiences.

Until next time.
Stay well & keep smiling
Jo

THERE ARE SOME GREAT PEOPLE OUT THERE.

Thank you to everyone that donated cans of food, time & energy, in this great initiative, to help feed the needy in our community.

Judy and Ian delivered more than 500 tins of food to the Salvation Army headquarters in Myers St last Friday.

Well done Members, Families and Friends of Rotary. Certainly, was some people power.

BeachPatrol is a volunteer organisation that are committed to keeping our beaches clean. And as this month is Rotary Community month, what better time to help them out with a little man / woman, power.

On Sunday 18th Oct, join us for a walk and clean up the rubbish along the way.

We will meet at the car park Botanic Garden end, **see red dot** at 10.45 for 11am start, and walk towards Cunningham pier, picking up as we go, (rubbish that is) After, let's stop for a safe

IT TAKES A TEAM TO MAKE IT HAPPEN

Well done to all, from start to finish.

Over the years Bayside has delivered quite a few Book Trolly's to schools and nursing homes throughout the community.

We thank Peter Hynes and Tennon Joinery, for designing and building these

two new additions. Peter says the new ones are stronger bigger and faster, with 4 lockable wheels, *think teachers will be happy about that.* Our Library Trolley initiative, is part of our Community and Youth projects. The latest one is going to South Geelong Primary School. *Pictured above is Joe, Tennon's Terrific Trolley Builder. Thankyou Joe from everyone at Bayside.*

Bayside Supports

Just an update on Day's for Girls Because of restrictions the DFG kits haven't been able to be sent for a while, but things are improving and Telsa, reported that 50 DFG kits have been sent to Nepal. Such a wonderful program, when you consider what is involved in making these personal little packs, by dedicated people, *because men are involved as well*, it is such a simple idea that have made a massive difference to the lives of many young women. But it's not just about the items in the kit they receive, it about the items that you can't see that are included. Like, **Safety, Dignity, Education, Self-esteem and Pride.** Well done Telsa and your fantastic team, fabulous job.
