PROGRAM – Bonnie McCulla

One of our club's endearing members, Bonnie McCulla, entertained attendees with a lively, informative and humorous presentation on her life, from her early childhood, through high school, college and a fascinating career path, to her involvement with Rotary and our club. I've been a close friend of Bonnie's for nearly twenty-five years, and we have shared many stories. And I was a little surprised to learn some new things about my friend and Jim. I highly recommend that you take the time to view Bonnie's presentation...I promise, you won't regret it!
