

## THE ROTARY CLUB OF SCHAUMBURG/HOFFMANN ESTATES

### Meeting on September 16, 2022

We welcomed honored guests to our meeting including Besa Kosova (friend of Linda D, a Rotarian from Kosovo and a representative of Harper College) and Paul Olson, a friend of Allen G who is checking out our Club. Welcome to them both.

### Announcements

We were reminded that:

1. Nancy R wants us all to put December 2, 2022 on our calendars (it's for the Holiday Party that you don't want to miss).
2. Holly F gave an update on the Vacation (not a raffle) Drawing.
3. Pat G, our Ace II coordinator, gave us an update on the program, told us that we have 8 new "Ace" scholarship recipients and we need mentors for them. If you're interested in mentoring please let Pat know.
4. Bruce D, on behalf of the Fellowship Committee, highlighted a potential Fellowship Event to the Germania Club in Chicago to see the Immersive Monet exhibit (we also sent out a more detailed description of the event last Friday to see how many Rotarians and guests would likely want to go – we need at least 10 and at the most 16. Call or email Bruce if you are interested.

😊😊😊😊😊 Happiness 😊😊😊😊😊

As usual, happiness was once again rampant among the membership, including:

Pat G was very happy about the score differential in last Sunday's Bears game.

Holly F was \$20 happy for Sarah B's plans for the future.

Don M was really happy that he received \$10 K in matching funds for more tool kits!

Bill K was positively happy about the SPECTACULAR trip to Italy which he and Jeanne took last week.

Gene W was \$2 happy that his daughter was cast in another show and also about somebody he saw who looked like Allen G – (Gene seems to see Allen G in every place Gene happens to be).

And finally,

Chrystal M was happy to let us know about an Art Outing at the Seville on October 27, 2022 in benefit of the Boys and Girls Club – please see the materials with details about the event attached to this Buzz.

### **Queen of Hearts**

The Queen of Hearts had the audacity to fake out our own Queen of Hearts (Nancy R) on not one but two spins of the virtual selection machine!!! How Rude!!!! Nancy, she must be jealous of you. Better luck next time!

### **Finemastering**

The room suddenly darkened, chilled and our goosebumps recurred as our Very Own Allen G assumed the mike and invited us all to assume the position which enabled Allen to implement our Club's 3<sup>rd</sup> largest fundraiser from our purses and wallets (virtual and real) as he fined:

Anyone who failed to turn in a Vacation Drawing ticket today,

Came to Chandlers last Friday (instead of Gigi's Playhouse where the Club met),

Was not wearing Rotary attire,

The Pinless, Badgeless or Temporally Clueless,

Had no guests at their table,

Did not help out at the Butterfly Garden last weekend,

Bill K who SPECTACULARLY massacred the 4-Way Pact at the beginning of our meeting,

Anyone using their phone at the meeting (and especially Bill K),

Nancy R and Holly F, for rudely talking while Allen was trying to fine us,

Gene W, for bringing a minor to a bar (his daughter who had a gig there) "training her well" for a theatre career,

Anyone who came to our meeting but didn't eat,

Chris H for talking in the meeting and then talking back to the Finemaster (always a no-no),

Anyone who was wearing a sports jacket to the meeting,

And finally,

Loren T, because his Iowa Hawkeyes didn't do so well in their recent game!

And then mercifully, Allen returned us to our regularly scheduled programming which happened to be .....

### **Program**

Us all! As Pres Brian noted, today was a Club Assembly and that unlike some past Club Assemblies we didn't have a "program" and we were allowed to do what Schaumburg/Hoffman Estates Rotarian do best – which is to talk, talk and talk amongst ourselves – which we all happily did! See you all next week!
